This is pure and
simple thievery. I
want nothing more to
do with Network
Solutions and am
willing to give up my
personal site and
urls -- with many
years of equity in
them -- just to stop
them from stealing
from me. They have
changed in all the
worst ways. There
needs to be as easy a
way to cancel

services as there is
to obtain them.

Sitelock was added by
network solutions to one of

my domains. So far as I can
tell, I did not take any action
to opt-in. After sending
several emails and speaking
to technical support, I was
told that I would have to call
in to cancel the service. I've
spent two hours, over 4
phone calls attempting to
cancel the service by phone.
