Include the author and year for a standard parenthetical citation. At the end of any sentence in which you mention or paraphrase the source, add a parenthetical citation with the author's last name, followed by a comma, then the year the article was published. Your parenthetical citation goes inside the sentence's closing punctuation.

## How To Cite An Article

There are two ways of using a quote in an essay MLA. The in-text method requires only the page number of the source used in parentheses at the end of the quote. The parenthetical one requires you to include both the author's last name and the page number. Using a Direct Quote

Include an in-text citation when you refer to, summarize, paraphrase, or quote from another source. For every in-text citation in your paper, there must be a corresponding entry in your reference list. APA in-text citation style uses the author's last name and the year of publication, for example: (Field, 2005).

The Chicago/Turabian style of citing sources is generally used

when citing sources for humanities papers, and is best known for its

requirement that writers place bibliographic citations at the bottom of a page or at the end of a paper.

Online News Article Note: The format for this type of source

depends on whether your source comes from a site with an

associated newspaper. If the source does come from a site with

an associated newspaper, leave the title of the article unformatted,

but italicize the title of the newspaper. Lastname, F. M. (Year, Month Date).
