How to Set Up APA Format in Word | Pen and the Pad
Treat a government document as a book, report, or brochure. If a person is named on the title page, use her or him as author. If no person is named, use the government agency, department, or branch as a group author. Give the name of the group author exactly as it appears on the title page.

APA Format: Basic Rules You Must Follow
If you use exact words from the original, quotation marks are necessary. If you paraphrase or restate the idea in your own words, don't use quotation marks, but document the source. In the APA (American Psychological Association) format, one of several documentation formats, you briefly identify your sources in the text of your paper, then give the full information in the Reference List at the end of the paper.
