BONUS OFFER! Buy the Paperback version of this book, and get the Kindle eBook version included for FREE! Cryptocurrencies and digital money are all the rage these days, with news stories and lengthy online discussions highlighting their successes, trends, and their potential to grow even bigger in the foreseeable future. It is highly likely you have already heard or read quite a bit about cryptocurrencies, and your curiosity has been aroused enough for you to try and learn more about this trend in investing. And becoming a millionaire investor of cryptocurrencies is not some click bait headline. It is a real possibility for those who become committed to learning all about cryptocurrencies and how to trade and invest them properly for the most profitable outcomes. Let me give you an example using one of my personal favorite cryptocurrencies, Litecoin. On March 20, 2017, 1 Litecoin was worth exactly \$3.96. Just a mere 5 and 1/2 months later in September, Litecoin was worth \$81.78. That is a 1,965% increase in less than 6 months. And it's not like this huge jump came completely out of the blue. Many skilled investors who were involved with and studied cryptocurrencies saw this coming, and everyone who did benefited massively from it. A realistic and relatively small investment of \$5,000 back in March of 2017, would be worth nearly \$100,000 just 6 months later. This is the kind of potential we are dealing with when investing in cryptocurrencies. This is not what you should expect once

you begin investing, but it is a possibility. You should also be focused on the long term instead of trying to get rich quick as that very rarely works out the way you want it to. In this book, we will cover the ins and outs of getting started as a cryptocurrency investor and how you can set up a balanced investment portfolio that can financially set you up very well for the future. Here is a preview of some of the things that you will learn about in this book: How to Get Started with Bitcoin Other Big Cryptocurrencies to Invest in Becoming a Millionaire with Cryptocurrency Benefits of Investing for the Long Term Analyzing Trends in Cryptocurrency If any of this sounds interesting to you, then you should definitely give this book on Investing in Cryptocurrencies a read! You'll be happy you did.

How to Get Filthy Rich As a Barber Macmillan

Rose and Sage Baker, 17-year-old orphan twins with more money than God, are living the good life in decadent Palm Beach, Florida. Life is grand--until their purse string-controlling grandmother is infuriated by a Vanity Fair profile of the girls' unsavory exploits. Now, they'll lose their inheritances if they don't get into ultra-selective Duke University. Enter Megan Simms, a brainy, recent Yale grad who's drowning in school debt. For \$75,000 dollars--enough to pay back her loans-- she must ensure the girls are accepted at Duke. This is no small feat, given that the twins cannot sit still longer than it takes to down a glass of Cristal. Megan is going to have to learn her Pucci from her Prada, and play by a whole different set of rules if she's going to whip these two into academic shape. Along the way, she just might discover that the twins aren't the only ones getting an education.

The debut novel from the internationally bestselling author of *Exit West* and *The Reluctant Fundamentalist*, both shortlisted for the Man Booker Prize *Moth Smoke*, Mohsin Hamid's deftly conceived first novel, immediately marked him as an uncommonly gifted and ambitious young literary talent to watch when it was published in 2000. It tells the story of Daru Shezad, who, fired from his banking job in Lahore, begins a decline that plummets the length of Hamid's sharply drawn, subversive tale. Fast-paced and unexpected, *Moth Smoke* was ahead of its time in portraying a contemporary Pakistan far more vivid and complex than the exoticized images of South Asia then familiar to the West. It established Mohsin Hamid as an internationally important writer of substance and imagination and the premier Pakistani author of our time, a promise he has amply fulfilled with each successive book. This debut novel, meanwhile, remains as compelling and deeply relevant to the moment as when it appeared more than a decade ago.

*Discontent and its Civilizations* is the essential first collection of non fiction from Mohsin Hamid. *Discontent and its Civilizations* collects the best of Mohsin Hamid's writing on subjects as diverse and wide-ranging as Pakistan; fatherhood; the death of Osama Bin Laden and the writing of *The Reluctant Fundamentalist*. Unified by the author's humane, clear-headed and witty voice, the book makes a compelling case for recognizing our common humanity while relishing our diversity - both as readers and citizens; for resisting the artificial mono-identities of religion or nationality or race; and for always judging a country or nation by how it treats its minorities, as 'Each individual human being is, after all, a minority of one'. Mohsin Hamid writes regularly for *The New York Times*, *the Guardian* and *the New York Review of Books*, and is the author of *The Reluctant Fundamentalist*, *Moth Smoke* and *How to Get Filthy Rich in Rising Asia*. Born and mostly raised in Lahore, he has since lived between Lahore, London and New York. 'Mohsin Hamid is a master critic of the modern global condition, using humanization, wit, parody and other devices to examine how the fast pace of social and economic change has affected the individual' *Foreign Policy* 'The new voice of a generation. A writer at the top of his game' *Metro* 'One of the most talented writers of his generation' *Daily Telegraph* Mohsin Hamid writes regularly for *The New York Times*, *the Guardian* and *the New York Review of Books*, and is the author of *The Reluctant Fundamentalist*, *Moth Smoke* and *How to Get Filthy Rich in Rising Asia*. High finance and a sizzling office affair raise desire and passion to the boiling point in Virna DePaul's seductive new contemporary romance—perfect for fans of Carly Phillips, Lori Foster, and Molly O'Keefe. Cara Michal has had to fight every step of the way to earn her place in the glittering seven-figure world of Wall Street. Years ago her hardworking father, a small-time investment adviser, was wrongfully accused of fraud. Now Cara is at the top of her game, supporting not only herself but her mother and brother. The occasional night out dancing soothes Cara's soul, even as a bitter need for revenge against the man who destroyed her father makes inner peace elusive. Then, in a moment of heat, Cara kisses a sexy stranger at a party—only later to discover that the man is Branden Duke, her new boss, an infamous operator with a wicked reputation in bed and on the Street. Branden is a man who seemingly has it all—except a woman who connects with him on a physical and emotional level. Now that he's found Cara, he's not sure he can let her go, even if he should. In spite of herself, Cara is drawn to this charismatic guy. He is a challenge like none she has ever faced in her life. Their passion for each other is unquenchable, surprising them both with its ferocity. Even as Cara wonders if she can trust this man with her heart and soul, the ecstasy of their love cannot be denied. But when the past threatens the present, the two are faced with a truth from which they may never recover. Praise for *Filthy Rich* "With a wonderfully seductive story—not to mention an absolutely delicious hero—*Filthy Rich* by Virna DePaul is an absolute must read!"—*New York Times* bestselling author J. Kenner "DePaul spins a familiar romantic setup into a web of seductive intrigue and sizzling romance in her latest contemporary love story, set against the skyscrapers of Manhattan. . . . The twists and turns of the fast-paced plot are delightful, and the book is filled with page-scorching heat. The dominant, rich hero and strong, capable heroine break away from stereotypes in a subtle yet definite manner, making their story entirely believable."—*Publishers Weekly* (starred review) "*Filthy Rich* boasts a detailed mystery plot and hot love scenes that scorch the page. The smart, honorable hero and heroine are supported by a strong secondary cast of characters who add depth and warmth to an already solid story."—*BookPage* "The story starts off strong with great flirtation and sexual tension."—*RT Book Reviews* "*Filthy Rich* is definitely a good choice. Ms. DePaul does a great job of building up the tension."—*The Sassy Bookster* "I love it when I think I have guessed who did what and then, boom, plot twist! LOL! This story will suck you in and leave you begging for more."—*Wicked Women Book Blog* *Alexander and the Terrible, Horrible, No Good, Very Bad Day* Bantam

Thirteen years ago, decorated former-Army Ranger Roman Sheppard rescued Mexican heiress Cenobia Trujillo from a shocking kidnapping that riveted the world. In the years since, Roman's risen from his humble Texas roots: He is now the head of an elite security firm and the reluctant half-prince of a glamorous wine-growing Spanish kingdom. And today, Cenobia--"Cen"--is finally in the CEO role she's trained for her whole life. But serious, growing threats against her are derailing a product launch that will change the Mexican industrial landscape forever. She's done the hard work to recover from her kidnapping, but therapy has't changed the fact that Roman Sheppard will forever represent safety in her mind. He's the only one she can trust. And his coming to Mexico will allow Cenobia to finally figure out if what she feels is a teenager's daydream or a grown woman's reality... But there's a reason Roman has stayed a continent away. His mission is to save people. And nothing--not duty to family, not the mistakes of his past, and certainly not love--is going to get in his way. He'll go to Mexico. He'll help Cen. He'll keep her safe. What he won't allow himself to do? Desire Cenobia Trujillo. He won't allow her to become his sweet Cen. *Filthy Rich* Book 1: *Lush Money* Book 2: *Hate Crush* Book 3: *Serving Sin*

"Mr. Hamid reaffirms his place as one of his generation's most inventive and gifted writers." —Michiko Kakutani, *The New York Times* "A globalized version of *The Great Gatsby* . . . [Hamid's] book is nearly that good." —Alan Cheuse, NPR "Marvelous and moving." —*TIME Magazine* From the internationally bestselling author of *The Reluctant Fundamentalist* and *Exit West*, the boldly imagined tale of a poor boy's quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world's pulse. *How to Get Filthy Rich in Rising Asia* meets that reputation—and exceeds it. The astonishing and riveting tale of a man's journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over "rising Asia." It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that careen their fates along. *How to Get Filthy Rich in Rising Asia* is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change.

More than fifty years after the civil rights movement, there are still glaring racial inequities all across the United States. In *Rich Thanks to Racism*, Jim Freeman, one of the country's leading civil rights lawyers, explains why as he reveals the hidden strategy behind systemic racism. He details how the driving force behind the public policies that continue to devastate communities of color across the United States is a small group of ultra-wealthy individuals who profit mightily from racial inequality. In this groundbreaking examination of "strategic racism," Freeman carefully dissects the cruel and deeply harmful policies within the education, criminal justice, and immigration systems to discover their origins and why they persist. He uncovers billions of dollars in aligned investments by Bill Gates, Charles Koch, Mark Zuckerberg, and a handful of other billionaires that are dismantling public school systems across the United States. He exposes how the greed of prominent US corporations and Wall Street banks was instrumental in creating the world's largest prison population and our most extreme anti-immigrant policies. Freeman also demonstrates how these "racism profiteers" prevent flagrant injustices from being addressed by pitting white communities against communities of color, obscuring the fact that the struggles faced by white people are deeply connected with those faced by people of color. *Rich Thanks to Racism* is an invaluable road map for all those who recognize that the key to unlocking the United States' full potential is for more people of all races and ethnicities to prioritize racial justice.
