Book One, Dirty Filthy Rich Men When I met Donovan Kincaid, I knew he was rich. I didn't know he was filthy. Truth be told, I was only trying to get his best friend to notice me. I knew poor scholarship girls like me didn't stand a chance against guys like Weston King and Donovan Kincaid, but I was in love with his world, their world, of parties and sex and power. I knew what I wanted-I knew who I wanted-until one night, their world tried to bite me back and Donovan saved me. He saved me, and then Weston finally noticed me, and I finally learned what it was to be in their world. And then what it was like to lose it. Ten years later, I've found my way back. Back to their world. Back to him. This time, I'm ready. I've been down this road before, and I know all the dirty, filthy ways Donovan will try and wreck me. But it's hard to resist. Especially when I know how much I'll like it. Book Two, Dirty Filthy Rich Love I've discovered Donovan Kincaid's secret. It's dirty and filthy and rich - as dirty and

filthy and rich as he is - and it haunts me as much as he ever did. Even after knowing what I know now, I still want to talk to him, to touch him. But there's an ocean between us, and I'm not sure it can be crossed with something as easy as a phone call or a plane ride. Yet I'm willing to try. He doesn't know this yet, but this time I'm the one with the power. And maybe - just maybe - if the air were cleared and all our secrets bared, there could still be a chance for us. And this dirty, filthy thing between us might end up being love after all.?

How to Become Filthy, Stinking Rich Through Network Marketing Bloomsbury Publishing USA

One unexpected and wild weekend with Weston King, and I'm a new woman. He, on the other hand, is the same rich, notorious playboy he's always been. In other words, not the commitment type. So even though we had fun those two days and nights, I

What I didn't anticipate was Donovan Kincaid, Weston's best friend and business partner. He's dangerous and dominant and gets under my skin in ways that no other man has. The worst part? I like it. From NYT Bestselling author Laurelin Paige, discover a whole new world filled with sex, love, power, romance and dirty, filthy rich men.

A NEW YORKER "ESSENTIAL READ" A NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF THE YEAR BY THE NEW YORKER, VOGUE, AND NPR "Perhaps Hamid's most remarkable work yet ... an extraordinary vision of human possibility." —Ayad Akhtar, author of *Homeland Elegies* "Searing, exhilarating ... reimagines Kafka's iconic *The Metamorphosis* for our racially charged era." Hamilton Cain, *Oprah Daily* From the New York Times bestselling author of *Exit West*, a story of love, loss, and rediscovery in a time of unsettling change. One morning, a man wakes up to find himself transformed. Overnight, Anders's skin has turned dark, and the reflection in the mirror seems a stranger to him. At

first he shares his secret only with Oona, an old friend turned new lover. Soon, reports of similar events begin to surface. Across the land, people are awakening in new incarnations, uncertain how their neighbors, friends, and family will greet them. Some see the transformations as the long-dreaded overturning of the established order that must be resisted to a bitter end. In many, like Anders's father and Oona's mother, a sense of profound loss and unease wars with profound love. As the bond between Anders and Oona deepens, change takes on a different shading: a chance at a kind of rebirth—an opportunity to see ourselves, face to face, anew. In Mohsin Hamid's "lyrical and urgent" prose (*O Magazine*), *The Last White Man* powerfully uplifts our capacity for empathy and the transcendence over bigotry, fear, and anger it can achieve.

Uncover the secret to financial success with advice from self-made millionaire Felix Dennis. Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded *Maxim* magazine, made himself one of the richest people in the UK, and had a blast in the process. *How to Get Rich* is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."
