How To Get A Life, Vol. 2:
Empowering Wisdom from Thinkers
and Writers School of Life Press
Each of us has but one life to live on this earth. What we do with it is our choice. Are we

drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide,

they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

Charge of Your Life urges readers to stop blaming and start accepting responsibility for choices.

Jeannine Chartier Hanscom, ForeWord Reviews
Are you seeking a happier and more satisfying life?

In *Take Charge of Your Life*, author Dr. William Glasser explains choice theory, a science of human behavior and principles for regaining and maintaining a life you control and how it can help you find personal freedom from relationship-destroying external control. *Take Charge of Your Life*, a revision of his 1984 book *Control Theory*, explains choice theory using personalized examples and illustrative stories that allow you to learn how to improve your relationships and take charge of your actions. Topics include marital and relationship problems, parenthood, addictions, pain management, and psychosomatic disorders. For each situation, Dr. Glasser ties behavior to the pictures people create in their minds of what they want. He explains how the pictures got there and how people can choose new behaviors to get what

they really want. In *Take Charge of Your Life*, Glasser offers a real model of empowerment. He shows how you can become a part of the equation that adds happiness and connection to the world in which you live now and to the world of future generations.

What I Know For Sure A&C Black

An essential guide to navigating the complexities of professional relationships. Our colleagues can be the sources of our greatest joys and triumphs: they compensate for our weaknesses, enlarge our

strengths and aggregate our energies. However, working successfully around others is neither intuitive nor simple: it requires us to communicate effectively, to understand our own minds and blind spots, to master our emotions and to see the world through others' perspectives. This book compresses our learning into a series of lessons on workplace psychology. The result is nothing less than an essential guide to more profitable, harmonious and happier organisations.

In his first ever book, *The IF in Life: How to Get Off Life's Sidelines and Become Your Best Self*, NFL running back and Dancing with the Stars champion Rashad Jennings shares his inspiring story and experiences, imparts practical advice, and encourages readers to follow their dreams. As a kid, Rashad Jennings dreamed of one day playing in the NFL, but the odds were stacked against him—he was an overweight kid with glasses, asthma, and a 0.6 GPA. Today, Rashad is a record-setting running back who has played with the Jacksonville Jaguars, the Oakland Raiders, and the New York Giants. In *The IF in Life*, Rashad writes about the decisions that shaped his

life. From overcoming injuries and setbacks to reaching goals and everything in between, Rashad ' s transparency about his journey will encourage readers to hold on to faith in the midst of uncertainty and win big in life. Perfect for football fans of all ages, this book also features photos from Rashad ' s childhood, college years, and professional career.

What will your 100-year life look like? A new edition of the international bestseller, featuring a new preface 'Brilliant, timely, original, well written and utterly terrifying' Niall Ferguson Does the thought of working for 60 or 70 years fill you with dread? Or can you see the potential for a more stimulating future as a result of having so much extra time? Many of us have been raised on the traditional notion of a three-stage approach to our working lives: education, followed by work and then retirement. But this well-established

pathway is already beginning to collapse – life expectancy is rising, final-salary pensions are vanishing, and increasing numbers of people are juggling multiple careers. Whether you are 18, 45 or 60, you will need to do things very differently from previous generations and learn to structure your life in completely new ways. The 100-Year Life is here to help. Drawing on the unique pairing of their experience in psychology and economics, Lynda Gratton and Andrew J. Scott offer a broad-ranging analysis as well as a raft of solutions, showing how to rethink your finances, your education, your career and your relationships and create a fulfilling 100-year life. • How can you fashion a career and life path that defines you and your values and creates a shifting balance

between work and leisure? · What are the most effective ways of boosting your physical and mental health over a longer and more dynamic lifespan? · How can you make the most of your intangible assets – such as family and friends – as you build a productive, longer life? · In a multiple-stage life how can you learn to make the transitions that will be so crucial and experiment with new ways of living, working and learning? Shortlisted for the FT / McKinsey Business Book of the Year Award and featuring a new preface, *The 100-Year Life* is a wake-up call that describes what to expect and considers the choices and options that you will face. It is also fundamentally a call to action for individuals, politicians, firms and governments and offers the clearest demonstration that a 100-year life can be a wonderful and inspiring one.

Find your way through the mess to embrace the fulfilling life you've always dreamed of. Join New York Times bestselling author John Eldredge as he shares practical, simple, and refreshing tips with you for living fully. How would you say you are doing these days? Are you happy most of the time? Do you feel deeply loved? Are you excited about your future? How often do you feel lighthearted? These questions almost seem unfair. Life is so hard on all of us, rough on our humanity. We live in soul-scorching times. The mad pace of it all, the number of

demands on our time and energy, and the overwhelming torrent of information coming at us 24-7 have left us all ragged, wrung-out, and emptied. This isn't the life we want, but how do we get off the roller coaster? In *Get Your Life Back*, John Eldredge shows you how to move forward into the life you so desperately need. By incorporating a few simple practices—what John calls "graces"—you can begin to recover your soul, disentangle from the tragedies of this broken world, and discover the restorative power of beauty. These simple practices are yours for the taking. You don't need to abandon your life to get it back--in fact, John shares that you can start restoring your life here and now. *Get Your Life Back* will give you the tools you need to:

Learn how to insert the One Minute Pause into your day
Begin practicing "benevolent detachment"
and truly let it all go
Offer kindness toward yourself in the choices you make
Drink in the simple beauty available to you every day
Take realistic steps to unplug from technology overload
God wants to strengthen and renew your soul, and Jesus longs to give you more of himself. The world may be harsh, but God is gentle; he knows what your daily life is like. All we need to do is put ourselves in places that allow us to receive his help. You can live freely and lightly. Let *Get Your Life Back* show you how. Your soul will thank you for it.
