commitment to herself—to her
health, her happiness, her
being. Those commitments are
the bedrock of her recovery
and her work helping other
young people dealing with the

issues she lives with every single day. Demi is a platinum-selling recording artist whose latest album—DEMI—is already a smash hit. She's about to embark on her second season as a judge on X-Factor, and just launched The Lovato Treatment Scholarship Program. And she is an outspoken advocate for young people everywhere. Demi is also a young woman finding her way in the world. She has dealt deftly with her struggles in the face of public scrutiny, and she has always relied, not just on friends and family, but daily affirmations of her self-worth and value.

Affirmations that steady her days and strengthen her resolve. Those affirmations have grown into STAYING STRONG, a powerful 365-day collection of Demi's most powerful, honest, and hopeful insights. Each day will provide the readers with a quote, a personal reflection and a goal. These are Demi's words. Words she lives by and shares with the people she loves and total strangers alike. They are a powerful testament to a young woman standing up and fighting back.

The Empath. The word has found its way into our consciousness accompanied by ideas of healing, sharing emotion and pain. Empaths are sensitive, caring, responsive people who have at the core of their nature an

innate ability to receive energy, information and awareness from others with a depth and intensity that is beyond our customary understanding of empathy. Yet, this very receptivity and permeability brings its own challenges. It is vital for empaths to recognize themselves as such and to consciously explore, understand and address this energetic flow in their life. Self-inquiry is the essential tool to understanding all that motivates and colors your experience of the world. The

book explores in depth this receptivity, as well as tools, concepts and approaches to support understanding and how to flourish with this heightened sensitivity. This book is a shared journey, edited from years of workshops and sessions with Elisabeth Fitzhugh and the Orion group.
