Go back to the days when dinosaurs ruled the earth with *How to Make Paper Dinosaurs*, the great origami book containing 25 prehistoric paper-folding projects to sink your teeth into. With big dinosaurs, small ones, ocean-dwellers, and high flyers, there are origami projects here to entertain any dino lover. Try your hand at the flying Pteranodon or fold one of the largest land animals that ever existed, the Apatosaurus. From the Cretaceous period you can make the king of dinosaurs, the Tyrannosaurus Rex, and from the Jurassic age comes the spiny Stegosaurus. Every project has simple step-by-step instructions and clear photographs, as well as helpful arrows showing you where to fold. Each design is allocated a skill rating—start with an easy one and once you've mastered that move on to something a bit more challenging. The book includes 50 specially designed pieces of origami paper so you can start folding right away.

[Paper Prototyping](#) Happy Fox Books

Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like *Parents* and *Vogue Knitting*, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely trans-formative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a

necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.
