From Yolanda Gampp, host of the massively popular, award-winning YouTube sensation “How to Cake It,” comes an inspiring “cakebook” with irresistible new recipes and visual instructions for creating spectacular novelty cakes for all skill levels. On her entertaining YouTube Channel, “How to Cake It,” Yolanda Gampp creates mind-blowing cakes in every shape imaginable. From a watermelon to a human heart to food-shaped cakes such as burgers and pizzas—Yolanda’s creations are fun and realistic. Now, Yolanda

brings her friendly, offbeat charm and caking expertise to this colorful cakebook filled with imaginative cakes to make at home. How to Cake It: A Cakebook includes directions for making twenty-one jaw-dropping cakes that are gorgeous and delicious, including a few fan favorites with a fresh twist, and mind-blowing new creations. Yolanda shares her coveted recipes and pro tips, taking you step-by-step from easy, kid-friendly cakes (no carving necessary and simple fondant work) to more difficult designs (minimal carving and fondant detail) to aspirational cakes (carving, painting and gum-paste work). Whatever the celebration, Yolanda has the perfect creation, including her never before seen Candy Apple Cake, Party Hat, Rainbow Grilled Cheese Cake, Toy Bulldozer Cake and even a Golden Pyramid Cake, which features a secret treasure chamber! Written in her inspiring, encouraging voice and filled with clear, easy-to-follow

instructions and vibrant photos, How to Cake It: A Cakebook will turn beginners into confident cake creators, and confident bakers into caking superstars!

Snake Fox Chapel Publishing

“Snake Doctor” is a modern, African-American Faustian epic. The story is of a man who made a supernatural deal with a wizard in the Equatorial Rain Forest of Northern Ghana. The deal that was made guaranteed this man that he would receive the money he needed to make the break out film he yearned to make. The proper sacrifices were made, the money poured in and the filmmaker became an international success. But all does not remain sweetness ‘n light. The shadow of the wizards influence remains a mental section that the filmmaker’s son must deal with. It takes grit, determination and hard work to overcome the obstacles, but the deeds are done and we are led to believe that all will be well.

The Complete Beginners Guide on How to Burn Fat

and Rapidly Lose Weight Following Snake Diet
Without Stress Including How to Make Snake Juice
at Home Houghton Mifflin Harcourt

the wall to this hilarious creation story!

Farmer Blake and Sneaky Snake

Bloomsbury Publishing USA

Fun animal book with silly rhyme
and silicone touches.

No H in Snake: Music Theory for
Children Fulton Books, Inc.

Long out of print and unavailable to
wider audiences, The Paper Snake
is an essential work in Ray
Johnson's oeuvre and the second
title published by Dick Higgins'
Something Else Press, in 1965.
Johnson describes the book as "all
my writings, rubbings, plays, things
that I had mailed to [Higgins] or
brought to him in cardboard boxes
or shoved under his door, or left in

his sink, or whatever, over a period
of years." A vertiginous, mind-
bending artist's book, The Paper
Snake was far ahead of its time. In
his essay "The Hatching of the
Paper Snake," Higgins says: "I was
fascinated by the way that the small
works which Ray Johnson used to
send through the mail seemed so
rooted in their moment and their
context and yet somehow they
seemed to acquire new and larger
meaning as time went along ... Since
a book is a more permanent body
than a mailing piece or even than
our own physical ones, I could not
help wondering what it would be
like to make a new body for
Johnson's ideas as a sort of love
letter or time capsule for the
future." A collection of letters, little
plays, tid-bits, collages and
drawings, The Paper Snake
connects disparate elements to
unbed fixed relationships and forge
new systems of meaning by means
of scissors, paste and the American
postal system.

The Ballad of Songbirds and Snakes (A
Hunger Games Novel) Kane/Miller Book

friends learn the importance of being kind
to others.

Build Your Own Paper Toy Snake

Little Simon

From cobras and copperheads to
pythons and boas, all types of snakes
are covered in this book of 40 science
experiments, art projects, and games
that help budding herpetologists gain a
greater appreciation for these
slithering reptiles. Activities include
making foldable fangs to learn how
snakes' teeth and jaws work together;
simulating cytotoxic snake venom
while making a tasty snack using an
everyday enzyme found in pineapple;
and mimicking the sound a rattlesnake
makes using a rubber band, a paper
clip, and an envelope. Engaging,
simple, and safe experiments teach
kids about the biology of snakes, such
as how they use their tongues and
nostrils to detect smells, how they are
cold-blooded and sensitive to subtle

changes in temperature, and how they can detect the slightest vibrations or tremors. Kids do not need a snake for any of the activities and will delight in all the strange snake facts and gross-out projects such as Snake

Stink—where they create their own signature stink and test how well it repels potential predators. Did you know... Snakes do not need to be coiled to strike; they can strike from any position, even underwater! Cobras and coachwhips are two of the few snakes that can move in a straight line forward while keeping their upper body raised off the ground Snake venom can actually help humans too: blood pressure medicine was developed from the venom of a Brazilian pit viper, and over 60 other treatments have been created from snake venoms

Snake Father, Don't be too Pushing Lark Books

Rich content and beautiful photos examine the habitat, diet, and characteristics of various types of snakes.

From Egg to Snake No Starch Press
Nina is a Lipan girl in our world. She's

always felt there was something more out there. She still believes in the old stories. Oli is a cottonmouth kid, from the land of spirits and monsters. Like all cottonmouths, he's been cast from home. He's found a new one on the banks of the bottomless lake. Nina and Oli have no idea the other exists. But a catastrophic event on Earth, and a strange sickness that befalls Oli's best friend, will drive their worlds together in ways they haven't been in centuries. And there are some who will kill to keep them apart. Darcie Little Badger introduced herself to the world with Elatsoe. In A Snake Falls to Earth, she draws on traditional Lipan Apache storytelling structure to weave another unforgettable tale of monsters, magic, and family. It is not to be missed.

Elmer and Snake Chicago Review Press

Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. Feared and worshiped in equal measure, snakes have captured the imagination of poets, painters, and philosophers for centuries. From Ice Age cave

drawings to Snakes on a Plane, this creature continues to enthrall the public. But what harm has been caused by our mythologizing? While considering the dangers of stigma, Erica Wright moves from art and pop culture to religion, fetish, and ecologic disaster. This book considers how the snake has become more symbol than animal, a metaphor for how we treat whatever scares us the most, whether or not our panic is justified. Object Lessons is published in partnership with an essay series in the The Atlantic.

Book & CD How to Cake ItA Cakebook

Describes the characteristics that make snakes good classroom pets, and discusses how to create a suitable environment for keeping a pet snake.

Volume 2 Funstory
Introduces the physical characteristics, habitat, behavior, and life cycle of the longest snake in the world.

The Ultimate Snake Owners Guide
Bearport Publishing

A snake is too greedy for his own good in this book and CD package illustrated by children's book legend Eric Carle and narrated by award-winning actor Stanley Tucci. In this classic picture book from Richard Buckley and Eric Carle that includes a CD with audio narration by Stanley Tucci, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the eaten animals befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. This humorous tale about manners, respect, and friendship will delight readers—and listeners!

Easter the Snake Harvard University Press

A snake with a lure on its tail is one of the ten mystery snakes in this book. It is an expert trickster. And along with the other snakes, it wants to find out how smart young readers are compared to foolish prey.

Awesome Snake Science! Never Touch a Devan was everything I longed for in a

man: loyal, protective, and strong. After the Navy, he cleaned up his act. He became the perfect guy, the perfect husband; the standard I held other men up to. Was it too much to ask to have a carbon copy of him... tattoos and all? But then he ruined everything. He kissed me. I truly thought he was different than all the rest. Yet no matter how much I wanted him to be mine, I now saw him for what he really was: another bad boy. A cheating snake that couldn't keep it in his pants. He's married, for f*cks sake! And to make it even more awkward, not only am I living with the couple but I've also made a deal to be their surrogate! How did my life become so complicated all of a sudden? Because now, after just one amazing kiss—one I keep reliving—I can't stop thinking about my stepbrother and the baby I want to give him. Snake is a full length contemporary Bad Boy romance novel in Emilia Beaumont's Forbidden Desires series. Perfect for fans of Lauren Blakely, Marquita Valentine, and Vi Keeland.

Awesome Snake Science Chicago Review Press

A brightly colored snake challenges readers to a game of hide and seek as he hides among familiar objects.

40 Activities for Learning about

Snakes Funstory

It's a marvel! Every time you turn the page the little snake grows bigger. And it's a book that teaches colors: with every page his spots change color. Amazing! But how does it work??? Using a unique Magic Ribbon format invented by the authors, The Splendid Spotted Snake follows the adventures of a little spotted snake made out of sturdy, polka-dotted cloth ribbon. When Yellow Snake was born, he had bright red spots. But then he grew . . . His new spots were blue. Not only does the little snake double in size, his spots also change color! Red to blue to purple to orange and more, it's an enchanting lesson in learning colors. And for little kids and parents alike, a true page-turner—because with every turn of the page the little snake grows and changes. And look for it: a wonderful, gratifying surprise ending.
