THE CORNER provides
an historical record of
the life style of young
men in what could be

considered a typical neighborhood prior to and during the WW II period in America. Toledo, Ohio is the setting of this documentary. The specific scene is the corner of Junction Avenue and Lucas Street, located in a solid Polish/American neighborhood. The story could be written of many other neighborhoods and ethnic and racial groups throughout the United States. It just so happens that the writer was a member of this particular group and neighborhood. Dramatic changes have taken place since the time period addressed in THE CORNER. WW II impacted the way of life

of all Americans. Ethnic and racial neighborhoods and groups are still located throughout the country but on a far less scale. Nicknames, a sign of popularity in most cases or of a special trait of the individual, are not as common in today's society. New and interesting developments have impacted the old meetings places and methods of communication amongst the young men throughout America. Television; new and interesting hobbies; and diverse civic, religious, and other group organizations that provide meeting places and many other features that make for

a more effective life style of American youth have replaced the "old" but unforgettable meetings on the local "corners".

Unfortunately a part of American culture and history are lost for the ages. THE CORNER captures a capsule of a part of American life during an era that has literally disappeared from the the American scene.

What if the two opposites are attracted by each other like magnets? "You're are right Divya. I'm a playboy," Daksh said and stood up in front of me. "Now I will show you what Playboy can do," Daksh pulled my waist and grabbed my face with his other hand to move our body closer to him. My breast crushed to his hard chest. I tried to pull my

body away from his grip. But he held me strongly against him. He was angry and rough. He is punishing me with his harsh kiss. I tried to push him back, but he stood on his ground. Then, he pushed me back down on the bed, pinning my hands above my head with his one hand and squeezing my breast painfully. I whimper because of his painful torture. I felt his hand on my back trying to unstrap my bra.

In this "emotional and heartfelt" (Mia Sheridan) debut, childhood sweethearts have a second chance at true love--but can they overcome the past that tore them apart? I've been a fighter all my life, even before I made it my career. As a kid in the foster system, I didn't have any other choice. But I've never fought for something--for someone--as hard as I fought for Lucy. I was her protector, her hero--and she

was my everything. From the day we met, she made our grim days in Atlanta's notorious Brighton Park fade away--leaving only us. But we broke each other's hearts, and we did a damn good job of it. A decade has passed since I last saw her, but not a day goes by that I don't think of her clear blue eyes or easy smile. So when I see her at one of my matches--and find out that she's engaged--I need to understand why she turned her back on me all those years ago. Because no matter what I do, no matter how many guys I knock out in the boxing ring, I can't forget her. So I'm not giving up on her. I'm not walking away. I'm going to fight for Lucy one last time. !~~b~~

Make Love Like a Prairie Vole
Forever Yours
Steve Harvey, the host of the
nationally syndicated Steve
Harvey Morning Show, can't
count the number of

impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: *The Ninety Day Rule*: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men

think when it comes to relationships. *Love Like No Tomorrow Urban Soul* What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley

Madison. Is it a sequel to my autobiography *If Chins Could Kill: Confessions of a B Movie Actor*? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, *Let's Make Love!* My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics – all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book – and if you learn anything at all about making love, please share it with me!

Regards, Bruce "Go Ahead and Call Me Ash" Campbell

Act Like a Lady, Think Like a Man LP Simon and Schuster

Sometimes the most imperfect match is the most perfect surprise. Hadley Cooper believes in happily-ever-afters with her whole heart. Described by her friends as a wide-eyed, eternal optimist, she looks for the bright side in most any situation.

However, when her job as the assistant manager of Silhouette, a posh boutique on Rodeo Drive, is on the line, she realizes it's time to pull her head out of the clouds and find a way to turn business around, and that just might mean partnering with the most stubborn up-and-coming fashion designer she's ever encountered. Spencer Adair has a passion for fashion, but hates the fact that it rhymes. She's serious about her designs, fiercely protective of her work, and is waiting patiently for her big break. What she didn't plan on, however, was the unsolicited opinions of that overly-friendly

blond boutique manager. Or the way her heart beats faster every time she's around.
