You can make a monkey mask by printing out a template, which you can color, cut eye holes out of, and attach a string to hold the mask on. You can also use a paper plate to make a monkey mask from scratch.

How to make a monkey puppet If you chose to do it as a puppet (not just a paper craft), younger children (Age 2 thru 5) will have fun colouring the pieces and playing with the finished puppet. However, the craft is really more suited to Age 5+ if you want them to work fairly independently as it's quite a bit longer of a project and gets a bit fiddly at the end.

How to Create paper monkeys with Crayola - WonderHowTo First Palette recommends you print on an 8.5-by-11 piece of cardstock. Allow your children to color the monkey and bananas, and then use child-safe scissors to cut out the parts. Use tape to secure the monkey and banana bunch to a green paper tree you can construct by following First Palette's tree template directions.

Glue the ears, mouth and eyes onto the paper plate.

OPTIONAL: TO MAKE A MASK instead of gluing on the eyes, you can hold up the plate to your child's face and make marks where their eyes are. Then cut holes so the child can peer through the plate.
