Learning how to make it up to your boyfriend involves a decent degree of self-analysis. No need to go to a therapist, just sit quietly for some time and try to find answers in yourself without blaming him. You are both responsible for anything that happens between you, so finding your little faults is stimulating and helps to avoid such traps ...

How To Make Up A

Make hospital corners. The term "hospital corner" refers to a specific method of folding the end of the top sheet tightly under the mattress. It is the trickiest step in making a bed, but is also the part which will make your bed look neatest. To make a hospital corner, tuck the end of the top sheet between the mattress and box springs at the foot of the bed. Don't just stuff it in though ...

After an Argument: The Right Way to Make Up | Psychology Today

Make up is used as a noun or an adjective. Makeup may also be rendered as the hyphenated make-up , though since the 1980s the hyphen has

been dropped for the most part. The word makeup was coined in 1821 to mean manner in which something is put together, it was first used to mean cosmetics in 1886.
