Planning for the future: How to manage your money - The Mix

A better way to manage saving money is to pay yourself first. Decide on a percentage of your income you want to put into savings, and do that first before you pay anyone else. You can have the money automatically deducted from your checking account or paycheck every month and sent directly to savings. The more you can automate it, the better.

6 Tips to Manage Your Money Better

Call your creditors, or the companies you owe money to. Explain how you're having trouble trying to pay back your debt and ask if it's possible to work out a new payment plan with lower payments that you can comfortably manage. Contact your mortgage lender immediately if you're behind (or could start getting behind!) on your mortgage.
