### How to Raise a Jewish Dog

Ballantine Books  
Eight years ago, Alice Steinbach, a Pulitzer Prize-winning columnist for the Baltimore Sun, decided to take a break from her life. She took a leave from job, friends, and family for a European journey of self-discovery, and her first book, *Without Reservations*, was the exquisite result. But once Steinbach had opened the door to a new way of living, she found herself unwilling to return to the old routine. She quit her job and

left home again, only this time her objective was to find a way that would allow her, personally and professionally, to combine three of her greatest passions: learning, traveling, and writing. This funny and tender book is the result of her decision to roam around the world as an informal student, taking lessons and courses in such things as French cooking in Paris, Border collie training in Scotland, traditional Japanese arts in Kyoto, architecture and art in Havana. With warmth and wit, Steinbach guides us through the pleasures and perils of discovering how to be a student again. Along the way, she also learns the true value of this second chance at educating herself: the opportunity to connect with and learn from the people she meets on her journey.

The Art of Raising a Puppy  
New World Library  
How to Raise a Puppy moves away from the traditional

approach to raising puppies, focused on obedience and control, and instead takes an holistic, dog-centred approach. Drawing on research into how dogs naturally rear their young, and how dogs have evolved to behave and spend their time, it supports a new way of sharing our lives with our dogs. It also offers advice on dealing with some of the common challenges people experience with puppies, and tips for managing adolescence. A much-needed resource for dog trainers, veterinarians and behaviourists to recommend to clients, this conveys a powerful message to help overcome all too common issues so many people have with their puppies. Packed with practical advice, it offers an overdue "puppy perspective", with respect for a dog as a sentient being at its core.

### Teaching Basic Obedience Dogwise Publishing

Explains how to train your puppy and shows you several training methods for a polite and well mannered dog.

---

Whether you have an infant, toddler, or school age child and are thinking about getting a puppy, or have a beloved pet and are planning to start a family, this is a useful guide for those who want a safe, sane and happy household.

[Nate Schoemer's Dog Training Manual](#) Turner Publishing Company

The authors have devoted a lifetime to the study of animal behavior. Here, they tell you in easy-to-understand language just how a puppy's body and mind develop in the right way.

**The Complete Idiot's Guide to Raising a Puppy** Karen Pryor Clicker Book

In this manual, you will learn the step by step process to teach your dog any command! Would you be surprised if I told you that there are no secrets to dog training? The reality is that it comes down to understanding the science behind the methods and each dog's individual needs, desires, and perseverance levels. After spending years in the industry-traveling and working with dog trainers throughout the country, training new dog trainers, and even having my own show on Animal Planet (Rescue Dog to Super Dog), I have developed a system that is easy to understand and most importantly-easy to implement.

These are techniques that I have evolved over the years by working with some of the best trainers in the industry-and now they are available to you for less than the cost of a cup of coffee!

*Puppy Training 101* M J F Books

Highly regarded dog behaviorist Gwen Bailey shares her proven system of training a puppy. Gwen Bailey's bestselling puppy care guide has helped hundreds of thousands of owners throughout the world raise a problem-free dog. It is now updated with the latest findings in canine behavior and a completely new user-friendly design, and answers many of the questions she has received from dog owners since the first edition. The Perfect Puppy teaches new puppy owners how to raise a well-behaved dog. Bailey's aim is to show puppy owners how they can influence their puppy's behavior for the better, and how to mold his future character. She uses her proven system of training a puppy using only positive rewards-based methods, coupled with a lot of play and fun Full-color photographs show how to housebreak a puppy, how to teach it to obey, how to prevent biting, chewing and other problems, and to generally be a good canine citizen and a beloved member of the family. She provides step-by-step

training, a valuable socialization plan, and games that incorporate learning. The contents include: The raw material - how breeds affect behavior A puppy's view of the world The new family, life with a puppy Developmental stages Socialization Housetraining Behavior control and leadership Toys and games Preventing biting, aggression, chewing Handling and grooming Good manners and learning to be alone Training your puppy Adolescence and beyond.

**Puppy Primer** Interpet  
As seen in The New York Times, People, SLATE, Psychology Today "[A] must-have guide to improving your dog's life."—Modern Dog Magazine Whether you are training a new puppy, considering adopting a dog, researching dog breeds, or simply curious about your own dog's happiness and behavior, Wag has all the answers-and then some. Respected dog trainer and social psychologist, Zazie Todd, demystifies the inner life of canines and shares recommendations from leading veterinarians, researchers, and trainers to help you cultivate a rewarding and respectful relationship with your dog-which offers many benefits for you, your family, and your four-legged friend.

---

Inside this engaging, practical book, readers will find: A Check List for a Happy Dog Enrichment exercises How to socialize and train a new puppy How to reduce fear and anxiety in dogs Tips for visiting the vet Information on aging dogs Expert interviews with vets and psychologists And so much more! "Dog owners and those considering becoming one should appreciate Todd's substantial insight into how dogs and humans relate to one another."—Publishers Weekly

The Perfect Puppy Super Puppy Press

You can go after the job you want...and get it! You can take the job you have...and improve it! You can take any situation you're in...and make it work for you! Since its release in 1936, *How to Win Friends and Influence People* has sold more than 30 million copies. Dale Carnegie's first book is a timeless bestseller, packed with rock-solid advice that has carried thousands of now famous people up the ladder of success in their business and personal lives. As relevant as ever before, Dale Carnegie's principles endure, and will help you achieve your maximum potential in the complex and competitive modern age. Learn the six ways to make people like you, the twelve ways to win people to your way of

thinking, and the nine ways to change people without arousing resentment.

*Zak George's Dog Training Revolution* \*Howell Book House

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we

stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wannabes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The Countryman Press

Fully train your dog in just six weeks with this revolutionary new method. The Monks of New Skete, long-time breeders of German shepherds and renowned trainers of all breeds and mixes, have codeveloped a successful new training technique. They and Marc Goldberg, who pioneered the approach, offer you and your

canine companion a way forward using a game-changing tool: the invisible leash or electronic collar. Now in paperback, *The Art of Training Your Dog* presents their compassionate, efficient system along with helpful advice on choosing the best collar. At the right moment, using a light touch—that many humans can't even feel—strategically refocuses your dog's attention.

This method helps you create effortless teaching moments that tie into your dog's pack instincts and help strengthen your bond with your dog. In as little as six weeks, your pup can master good leash manners; obey basic commands, such as sit, down, and stay; stop problematic behaviors; and play safely off leash with consistent recall.

**Educating Alice** Ten Speed Press Discover how to easily integrate your new puppy into the family with these child-friendly fun and easy training tips and techniques.

So you've finally given in to your child's constant pleas for a new dog. Are you ready to welcome this new addition into your life? While owning a dog can seem like an additional chore for you, it can be the start of a magical and lifelong bond between your child and their dog. Having a puppy they love is like having a best friend that loves them unconditionally and supports them no matter what. It's also the perfect opportunity to teach your kid some important lessons in responsibility. By taking care of a pet, your child will learn how to

feed and care for someone else, improving their self-esteem as well as developing their compassion for others. So how do you prepare your child to be responsible for their new best friend? One of the first things to do is to teach them how to train their puppy. Dog training for kids will not only teach your child how to manage their new pet, but it will also strengthen the bond between kid and pup. Puppy training goes beyond teaching tricks to your dog. It involves building trust and nurturing a relationship, as well as enforcing proper behavior. With this puppy training book for kids, your child will learn how to train your dog and take care of their needs, right from the moment the new puppy arrives. In *How to Train Your Puppy for Kids*, here is just a fraction of what you will discover: How to pick out the perfect puppy that matches your kid's personality and preferences Fun and exciting games to get your child and their dog to exercise and boost their health Basic dog commands with detailed step-by-step instructions -- simple enough for both kids and dogs to follow How to care for your puppy -- from puppy proofing your home to feeding them the right food 8 clever tricks to teach your puppy, that will impress friends and family -- and build up your child's confidence Straightforward strategies to encourage obedience in your puppy Helpful dog training tips that will help your child understand their pup and prevent bad behaviors The one skill your child should never skip while dog training -- if you want to make your family's life easier Bonus

### **Before and After Getting Your Puppy** Blue Ribbon Books

The bestselling author and star of National Geographic Channel's Dog Whisperer shows you how to develop the calm-assertive energy of a successful pack leader and use it to improve your dog's life—and your own. Be the Pack Leader is Cesar Millan's guide for taking your relationship with your dog to a higher level. By developing the skills necessary to become the calm-assertive owner your dog needs in order for him to live a balanced, fulfilled life, you'll improve your dog's behavior and your own life as well. Be the Pack Leader is filled with practical tips and techniques, including:

- How to use calm-assertive

energy in relating to your dog—and to others around you

- The truth about behavioral tools, from leashes and harnesses to clickers and e-collars
- How to satisfy the needs of your dog's breed
- Success stories from Cesar's clients, viewers, and fans—including the Grogan family of Marley & Me fame
- A quick reference guide of specific, step-by-step procedures to tackling some of the most common dog behavior problems “[Cesar] arrives amid chaos and leaves behind peace.” —Malcolm Gladwell, The New Yorker “[Millan is] serene and mesmerizing. . . . He deserves a cape and a mask.” —New York Times

### **Control Unleashed** CRC Press

With almost 200 pages, corresponding photos, and step-by-step instructions, *Puppy Start Right* is the ideal book for fostering and enhancing a “parenting relationship” among people and their dogs! This book is a great resource for all dog parents, dog trainers, puppy socialization class instructors, shelters, and adoption agencies. Whether you are raising a new puppy, have recently adopted an adolescent dog, or are living with an adult dog, *Puppy*

*Start Right* is the book for you. This book sets the foundation for a lifelong partnership between you and your dog based on a mutual understanding and trust. *Puppy Start Right* is more than a puppy book about socialization; it's a positive approach to problem solving, prevention, and training, all without the use of force. Problem-solving topics address common behaviors of adolescent dogs, including mouthing/biting, jumping, chewing, digging, counter surfing, and stealing objects. Prevention topics include confinement/independence training, food bowl exercises, handling and restraint, and more. The book also includes:

- The Developmental Life Stages of Dogs
- Domestication, Social Behavior, How Dogs Perceive the World, and Canine Communication
- How Dogs Learn
- Positive Socialization and What to do if Your Dog is Frightened?
- Applying the Problem-Solving Model to Prevent Common Behavior Problems
- House Training in 5 Easy Steps
- Foundation Training Exercises
