Do you want to grow up a happy and healthy puppy?

Do you want to create a trusting, long-lasting and friendly relationship with your puppy? Do you want to do it through easy and fun methods that you and your dog will enjoy? If you want to create an incredible bond with your dog, then keep reading.

Raising a puppy marks the beginning of your journey to turn your restless puppy into a faithful dog, who will be by your side for life.

Puppies are very tender and fun, but it can also be frustrating when they don't always do what you want them to do. We are often led to think that training a puppy only means giving him commands in a strict and authoritarian way. But this will not be pleasant for our puppy. And neither will we. How can you act if your puppy munches your

shoes? What can you do if your puppy pee all over the place? How can you pleasantly improve your puppy's bad behavior without creating stress and anxiety for your dog? The solution is to practice modern positive techniques that will create more awareness in your puppy, eliminating the common negative behaviors typical of their age. With these methods, you will have the clarity of how to grow a puppy, bringing joy and happiness

How to raise the perfect puppy A revolution for dogs: Very few dog trainers have not been influenced by Dr. Ian Dunbar's dog-friendly philosophy. In the 1970s, Dr. Ian Dunbar sparked a dramatic shift in puppy training — away from leash corrections and drill-sergeant adult dog training classes based on competitive obedience and toward a positive approach

using toys, treats, and games as rewards for teaching basic manners, preventing behavior problems, and modifying temperament. Before Dr. Dunbar there were no classes for puppy training, very few family dog classes, and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog: Now, in *Before and After Getting Your Puppy*, Dr. Ian Dunbar combines his two popular puppy training manuals into one indexed, value-priced
