How to raise the perfect puppy A revolution for dogs: Very few dog trainers have not been influenced by Dr. Ian Dunbar's dog-friendly philosophy. In the 1970s, Dr. Ian Dunbar sparked a dramatic shift in puppy training – away from leash corrections and drill-sergeant adult dog training classes based on competitive obedience and toward a positive approach using toys, treats, and games as rewards for teaching basic manners, preventing behavior problems, and modifying temperament. Before Dr. Dunbar there were no classes for puppy training, very few family dog classes, and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog: Now, in Before and After Getting Your Puppy, Dr. Ian Dunbar combines his two popular puppy training manuals into one indexed, value-priced hardcover dog training book. In clear steps, with helpful photos and easy-to-follow puppy training milestones, he presents a structured yet playful and humorous plan for raising a wonderful dog. Dr. Dunbar's guide is based around six developmental milestones: Your doggy education Evaluating puppy's progress Errorless housetraining and chewtoy-training Socialization with People Learning bite inhibition The world at large Fans of The Art of Raising a Puppy, Training the Best Dog Ever, or Zak George's Dog Training Revolution, will love Ian Dunbar's Before and After Getting Your Puppy.

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to "get dominance" over your dog can cause problems
- Why "rough and tumble primate play" can lead to trouble--and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types--and why most dogs want to live with benevolent leaders rather than "alpha wanna-bes!"

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way--so as to enrich that most rewarding of relationships.
