Andy, an unemployed

engineer and his wife Sandi, a neurosurgeon, had searched for an old farmhouse ‘fixer-upper’ to be their home in the North Carolina Mountains. When they found one, Andy fell in love with the rustic two-hundred year old homestead with a great view of Pilot Mountain. Staci declared it ‘a wreck’ but they decided

to buy it anyway. Thus began their adventure with Barkley, who lingered around the house as the ghost of a deceased Vietnam War hero. Circumstances lead to Andy's growing relationship with Barkley, and he is captivated by Barkley's extraordinary knowledge and explanations of the workings of the universe, passage of time, alternate spatial dimensions and life in the after-world. With no explanation, Barkley urges Andy to find a special box, complete with family secrets, hidden in the old house.

even his kiss can't take away. What secret does the new woman in his house possess? And will learning Annalise's secret bring him and his daughter joy, or tear their world apart? Georgia Diary: A Chronicle of War and Political Chaos in the Post-Soviet Caucasus
Routledge
From "a dazzling new voice in American fiction" (Jennifer Egan), a finely drawn portrait of American privilege and a subtle exploration of class, race, and tradition. St. James is an exclusive New England boarding school known for grooming generations of leaders. Ben Weeks is a true insider -- his ancestors helped found St. James, his older

brother taught him all the slang, and he's just won a national championship in squash. But after fourteen long years of waiting, Ben arrives at school only to find that the reality of St. James doesn't quite match up with his imaginings. At the same time, his new roommate, Ahmed Al-Khaled, the son of a fabulously wealthy Emirati sheik, can't navigate the unspoken rules of New England blue bloods. Even as Ben and Ahmed struggle to prove themselves in the place they have revered for so long, each of them must face losing it forever. Tender, sharp, and evocative, *The Expectations* is a compelling novel about the pain and treachery of adolescence, and the difficulty -- wherever one

finds oneself -- of truly belonging.

Now, with a new job and a good woman waiting for him,

a kinky thief terrorizing L.A.'s choice hotels, and a tragedy looming, Bumper Morgan is about to face the only thing that can scare him: the demons that he's been hiding behind his bright and shiny badge...
