If certain people are not suppose to have the ability to produce 'great' literature, and if this supposition is one of the means used to keep such people in their place, the ideal situation (socially speaking) is one in which such people are prevented from producing any literature at all.

In *How to Suppress Women's Writing*, she once again takes on work respectable academics and literary critics weren't willing to do: take a

long, hard look at how and why women writers and artists, as well as other minority group writers and artists, keep disappearing from the record.
