What's a Homeowner to Do? Storey Publishing

A woman and her husband rent a summer house, but what should be a restful getaway turns into a suffocating psychological battle.

This chilling account of postpartum depression and a husband's controlling behavior in the guise of

treatment will leave you breathless. 2018 Reprint of 1892 Edition. This short story is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women's health, both physical and mental. Presented in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is

encouraged to eat well and get plenty of exercise and air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women in that period. Gilman used her writing to explore the role of women in America at the time. She explored issues such as the lack of a life outside the home and the oppressive forces of the patriarchal society. Through her work Gilman paved the way for writers such as Alice Walker and Sylvia Plath. Written with barely controlled fury after she was confined to her room

for 'nerves' and forbidden to write, Gilman's pioneering feminist horror story scandalized nineteenth-century readers with its portrayal of a woman who loses her mind because she has literally nothing to do. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions.

"Wear poetry as both perfume and armor." Wong's words and artistry are both vibrant with color, richly textured, defiant, and unapologetic in their boldness. Her speaker begins her spiritual journey of remembrance that transcends body, tradition, or even nation in the pursuit of authentic art that is

constructed through the radical acceptance of the past in order to leave it all behind. Turning to Wallpaper is a story where no wounds are left unconforted or softened. It is beautiful, without beauty. There is "pain, but no victimhood." A Sloan Krause Mystery Covenant Books, Inc. Ever wonder what really happens that first year after you retire? I'm talking about the day-to-day emotions, feelings, projects, questions, anxieties... the ups and downs of this very important next step in one's life after some 25/30/35/40 years of formal work? Well, my "The Baby Boomers First-Hand/First-Year Guide to Retirement... 365 Days of Bliss (???)!!!" or Diss (Not???)!!!" could provide some insight for those recently retired or contemplating retirement. This 365 day (from January 17, 2013 to January 17, 2014) daily journal allows the reader to follow along as I experience the chores, the life; the new budgeting, the wife — the questions, the emotions; some answers and hopefully some solutions. "First-Hand" is an easy-to-read/fast page turner; a humorous collection of thoughts and stuff... it does not hit you over the head with heavy retirement questions regarding pensions or 401(k) requirements; or statistics such as inflation projections, investment facts, tax shelters, financial formulas, etc... My book is simply a personal essay of my first 365 days of retirement, featuring real names and real people. Included are personal pictures and anecdotes of my 2013 journey that sheds light on the everyday minutia of retired life. I self-published my first book "SQUARE SQUIRE

& THE JOURNEY TO DREAMSTATE" in 2012.

I have a completed children's short story collection "LongTALES for shortTAILS" — currently being illustrated; and I have a young adult/short story collection "Word Food for Doods" ready for publishing. I am presently working on a novella about a jive/hipster dude cat called "Diddley Squatt."

From debut author Cameron Kelly Rosenblum comes a stunning teen novel that tackles love, grief, and mental health as one girl must process her friend's death and ultimately learn how to stand in her own light. Perfect for fans of All the Bright Places and We Were Liars. It's the summer before senior year. Reid is in the thick of Scofield High's in-crowd thanks to her best friend, Hattie, who has been her social oxygen since middle school. But summer is when Hattie goes to her family's Maine island home. Instead of sitting inside for eight weeks, waiting for her to return, Reid and their friend, Sam, enter into a pact-to live it up, one party at a time. But days before Hattie is due

home, Reid finds out the shocking news that Hattie has died by suicide. Driven by a desperate need to understand what went wrong, Reid searches for answers. In doing so, she uncovers painful secrets about the person she thought she knew better than herself. And the truth will force Reid to reexamine everything.

Wallpaper may be desirable, but it can be expensive, difficult to install, and damaging to the wall upon removal. Street art and graffiti might seem unattainable, but everyone has an interior wall they can paint. Wall painting offers a way to achieve these modern design effects in the home, and it can be accessible to everyone — even those who don't consider themselves artists. This bright and colorful

book from the creators of Pandr Design Co. features DIY how-to wall painting techniques that will help readers discover the possibilities of paint and see their walls as their canvas. Authors Phoebe Cornog and Roxy Prima take readers through wall preparation and paint selection and then teach how to achieve different techniques step by step, from marbling to sponging to geometric design to lettering and more. They address tips, tricks, and troubleshooting and help readers customize their home — without breaking a sweat or breaking the bank. For fans of interior design or anyone seeking to bring color into their home and make their space unique, this book will spark the imagination, feed creativity, and deliver the confidence to do it themselves. THE YELLOW WALLPAPER Minotaur Books
Amateur sleuth Sloan Krause delves into the murderous political world in another delightful mystery from popular cozy writer Ellie Alexander. It's the dead season in Leavenworth, Washington. The throngs of Oktoberfest crowds have headed home, and the charming Bavarian streets are quiet and calm—momentarily. Villagers use the reprieve to drink in the crisp fall mountain air and prepare for the upcoming winter light festival. Soon the German-inspired shops and restaurants will be aglow with thousands of

twinkling lights. Visitors will return to the northern Cascades to drink warm mulled cider and peruse the holiday markets. Brewer, Sloan Krause and her partner in crime Garrett Strong are using the slowdown to stock up on a new line of their signature craft beers at Nitro. They're experimenting with a hoppy holiday pine and a chocolate hazelnut stout. The small brewery is alive with delicious scents and bubbling batches of brew. Sloan is in her element. She loves the creativity and lowkey atmosphere at Nitro. Only that is soon threatened by the incumbent city councilmember Kristopher Cooper. Kristopher is running for re-election on a platform of making Leavenworth dry. Everyone in beertopia is fuming. Leavenworth's economy relies on keeping the kegs flowing. Kristopher wants to banish beer, a policy that might just bankrupt the entire village. However, Kristopher turns up dead days before election night. Sloan quickly realizes that his murder isn't the work of a stranger. Friends, family, and every other business owner had a motive to kill him, including none other than April Ablin, Leavenworth's self-described ambassador of all things German. Sloan finds herself defending April and trying to sleuth out a killer amongst a group of familiar faces.

You're not a dummy but maybe you don't know that much about computers. This book is essential reading for a computer novice. It is presented in an easy incremental manner, there are lots of Windows tips for a beginner and intermediate computer user alike, and it is chock full of illustrations. Another virtue of this book is that it is intended to teach a person to use a computer that knows absolutely nothing about one. The average intermediate user will learn some things if they read the book as well. Therefore, it will appeal to a very wide audience from ages 9 to 90.

Growing up in a small upper Midwestern town in the late 1930s, young Tommy MacAllister is scarcely aware of the Depression, much less the rumblings of war in Europe. For his parents and their set, life seems to revolve around dinners and dancing at the country club, tennis dates and rounds of golf, holiday parties, summers on the Island, and sparkling occasions full of people and drinks and food and laughter. But curious as he is and impatient to grow up, Tommy will soon come to glimpse the darkness that lies beneath so much genteel complacency: hidden histories and embarrassing poor relations; the subtle (and not so subtle) slighting of the “help”; the mockery of President Roosevelt; and “the commandment they talked least about in

Sunday school,” adultery. In *Testing the Current* William McPherson subtly sets off his wide-eyed protagonist’s perspective with mature reflection and wry humor and surrounds him with a cast of vibrant characters, creating a scrupulously observed portrait of a place and time that will shimmer in readers’ minds long after the final page is turned.

'As to the arsenic scare a greater folly it is hardly possible to imagine: the doctors were bitten as people were bitten by the witch fever.' -- William Morris on toxic wallpapers, 1885. *Bitten by Witch Fever* presents facsimile samples of 275 of the most sumptuous wallpaper designs ever created by designers and printers of the age, including Christopher Dresser and Morris & Co. For the first time in their history, every one of the samples shown has been laboratory tested and found to contain arsenic. Interleaved with the wallpaper sections, evocative commentary guides you through the

incredible story of the manufacture, uses and effects of arsenic, and presents the heated public debate surrounding the use of deadly pigments in the sublime wallpapers of a newly industrialized world.

Triumph in Crisis John Wiley & Sons
A memoir of crossing cultures, losing love, and finding home by a New York Times notable author. As steadily and quietly as her marriage falls apart, so Kyoko Mori's understanding of knitting deepens. From flawed school mittens to beautiful unmatched patterns of cardigans, hats and shawls, Kyoko draws the connection between knitting and the new life she tried to establish in the U.S. Interspersed with the story of knitting throughout, the narrative contemplates the nature of love, loss, and what holds a marriage together.
