Wife Four Way Books

Inspired by the website that the New York Times hailed as "redefining mourning," this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded Modern Loss, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the Modern Loss community to help us cry,

laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN's Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty "how to" cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, Modern Loss invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

When Ketzl Weinrach's beloved brother Potsie goes missing in Las Vegas, she not only must try to find him, she must confront her family's shady history and their ties to the legendary Jewish mob, Murder, Inc., as well as her troubling relationship to her cousin Perry (who runs a strip club on the outskirts of Vegas), her long and apparently not-so-loving marriage to her recently departed husband Morty Tittelman (a self-styled professor of dirty jokes and erotic folklore), and her own failed career as a stand-up comic.

Unlike anything Joyce Carol Oates has written before, *A Widow's Story* is the universally acclaimed author's poignant, intimate memoir about the unexpected death of Raymond Smith, her husband of forty-six years, and its

wrenching, surprising aftermath. A recent recipient of National Book Critics Circle Ivan Sandrof Lifetime Achievement Award, Oates, whose novels (*Blonde*, *The Gravedigger's Daughter*, *Little Bird of Heaven*, etc.) rank among the very finest in contemporary American fiction, offers an achingly personal story of love and loss. *A Widow's Story* is a literary memoir on a par with *The Year of Magical Thinking* by Joan Didion and Calvin Trillin's *About Alice*. *The Widower's Journey* Anchor

In the short novels that make up this beautiful collection, Mary Gordon presents a quartet of finely rendered, emotionally resonant stories. Here we meet the ferocious Simone Weil during her last days as a transplant in New York City; a vulnerable American graduate student who escapes to Italy after her first, compromising love affair; the charming Irish liar of the title, who gets more out of life than most; and Thomas Mann, opening the heart of a high schooler in the Midwest. At every turn, Gordon revels in the interactions and crucial

flashes of understanding that change lives forever.

Entrancing reading, *The Liar's Wife* is a wonderful demonstration of Gordon's literary mastery and human sympathy.

A Widow for One Year
Baker Books

A stunning portrait of the complicated woman who becomes Ernest Hemingway's fourth wife, tracing her adventures before she meets Ernest, exploring the tumultuous years of their marriage, and evoking her merry widowhood as she shapes Hemingway's literary legacy. Mary Welsh, a celebrated wartime journalist during the London Blitz and the liberation of Paris, meets Ernest Hemingway in May 1944. He becomes so infatuated with Mary that he asks her to marry him the third time they meet—although they are married to other people. Eventually, she succumbs to Ernest's campaign, and

in the last days of the war joined him at his estate in Cuba. Through Mary's eyes, we see Ernest Hemingway in a fresh light. Their turbulent marriage survives his cruelty and abuse, perhaps because of their sexual compatibility and her essential contribution to his writing. She reads and types his work each day—and makes plot suggestions. She becomes crucial to his work and he depends upon her critical reading of his work to know if he has it right. We watch the Hemingways as they travel to the ski country of the Dolomites, commute to Harry's Bar in Venice; attend bullfights in Pamplona and Madrid; go on safari in Kenya in the thick of the Mau Mau Rebellion; and fish the blue waters of the gulf stream off Cuba in Ernest's beloved boat *Pilar*. We see Ernest fall in love with a teenaged Italian countess and wonder at Mary's tolerance of the affair. We witness Ernest's sad decline and Mary's efforts to avoid the stigma of suicide by claiming his death was an accident. In the years following Ernest's death, Mary devotes herself to his

literary legacy, negotiating with Castro to reclaim Ernest's manuscripts from Cuba, publishing one-third of his work posthumously. She supervises Carlos Baker's biography of Ernest, sues A. E. Hotchner to try and prevent him from telling the story of Ernest's mental decline, and spends years writing her memoir in her penthouse overlooking the New York skyline. Her story is one of an opinionated woman who smokes Camels, drinks gin, swears like a man, sings like Edith Piaf, loves passionately, and experiments with gender fluidity in her extraordinary life with Ernest. This true story reads like a novel—and the reader will be hard pressed not to fall for Mary.

A Widow's Story

"I spent my 11th wedding anniversary planning my husband's funeral. If I could just figure out how to make that rhyme, it would be the beginning of a great country song."

Confessions of a Mediocre Widow is a roller coaster look at one widow's journey through the odyssey of grief and the many missteps, crying jags, fights, hilarity, pedicures, and lying required to get through it. Catherine Tidd shares the story of what it was to honor her husband, to get her three

kids (all under 6) through the day (with perhaps more sugar and television than might have been necessary), and come to terms with his loss, in a way that's real, rough, and honest.

"Widow" is one title women do not want to have. Yet, according to the Surgeon General's office, 800,000 people become widows or widowers every year in the United States alone. Every aspect of a widow's existence changes—like it or not, ready or not. These changes add to the emotional roller coaster that most women experience after losing their husband. Miriam Neff understands the ride. As she struggled to understand and accept her new role after her husband's death, she recognized the need for women to hear from others about their experiences and what helped them transition to this new stage of life.

From One Widow to Another offers practical advice for those facing the loss of a spouse. Drawing from her own loss, Neff walks with the reader through practical issues to a sense of encouragement. The Jetsetters Forever Written with unexpected humor and great warmth, The Widower's Notebook is

a portrait of a marriage, an account of the complexities of finding oneself single again after losing your spouse, and a story of the enduring power of familial love. "This is deeply moving ... beautifully written and modulated, with a dollop of droll, black humor. It is such an achievement, like running uphill against a strong wind."--Joyce Carol Oates

Finding Love After Loss
Morgan James Publishing
"Beautifully crafted",
"Fantastically funny."
"Compulsively readable."
Jonathan Tropper has earned wild acclaim---and comparisons to Nick Hornby and Tom Perrotta--for his biting humor and insightful portrayals of families in crisis and men behaving badly. Now the acclaimed author of *The Book of Joe* and *Everything Changes* tackles love, lust, and loss in the suburbs--in a stunning novel that is by turns heartfelt and riotously funny. Doug Parker is a widower at age twenty-nine, and in his quiet suburban town, that makes him something of a celebrity--the object of sympathy, curiosity, and, in some cases, unbridled desire. But Doug has other things on his mind. First there's his sixteen year-old stepson, Russ: a once-sweet kid who now is getting into increasingly serious trouble on a daily basis. Then there are Doug's sisters: his bossy twin, Clair, who's just left her husband and moved in with Doug, determined to rouse him from his Grieving stupor. And Debbie, who's engaged to Doug's ex-best

friend and manically determined to pull off the perfect wedding at any cost. Soon Doug's entire nuclear family is in his face. And when he starts dipping his toes into the shark-infested waters of the second-time around dating scene, it isn't long before his new life is spinning hopelessly out of control, cutting a harrowing and often hilarious swath of sexual missteps and escalating chaos across the suburban landscape.

The Widow's Tale Little, Brown
In this delightfully witty, provocative book, literature professor and psychoanalyst Pierre Bayard argues that not having read a book need not be an impediment to having an interesting conversation about it. (In fact, he says, in certain situations reading the book is the worst thing you could do.) Using examples from such writers as Graham Greene, Oscar Wilde, Montaigne, and Umberto Eco, he describes the varieties of "non-reading"--from books that you've never heard of to books that you've read and forgotten--and offers advice on how to turn a sticky social situation into an occasion for creative brilliance. Practical, funny, and thought-provoking, *How to Talk About Books You Haven't Read*--which became a favorite of readers everywhere in the

hardcover edition--is in the end a love letter to books, offering a whole new perspective on how we read and absorb them.

Getting to the Other Side of Grief Harper Collins

"One night when she was four and sleeping in the bottom bunk of her bunk bed, Ruth Cole woke to the sound of lovemaking—it was coming from her parents' bedroom." This sentence opens John Irving's ninth novel, *A Widow for One Year*, a story of a family marked by tragedy. Ruth Cole is a complex, often self-contradictory character—a "difficult" woman. By no means is she conventionally "nice," but she will never be forgotten. Ruth's story is told in three parts, each focusing on a critical time in her life. When we first meet her—on Long Island, in the summer of 1958—Ruth is only four. The second window into Ruth's life opens on the fall of 1990, when she is an unmarried woman whose personal life is not nearly as successful as her literary career. She distrusts her judgment in men, for good reason. *A Widow for One Year* closes in the autumn of 1995, when Ruth Cole is a forty-one-year-old

widow and mother. She 's about to fall in love for the first time. Richly comic, as well as deeply disturbing, *A Widow for One Year* is a multilayered love story of astonishing emotional force. Both ribald and erotic, it is also a brilliant novel about the passage of time and the relentlessness of grief.

"Radziwill's delicious debut novel... is a poignant tale of love and loss."—Publishers Weekly

"One of the richest, most deeply satisfying stories I've read in a long time."—BookPage

Radziwill writes like a cross between Sophie Kinsella and Christopher Buckley. Cautiously romantic, unexpectedly moving, and funny!"—Susan Sarandon

The Widow's Guide to Sex and Dating is Carole Radziwill's deliciously smart comedy about a famously widowed young New Yorker hell-bent on recapturing a kind of passionate love she never really had

Claire Byrne is a quirky and glamorous 34-year-old Manhattanite and the wife of a famous, slightly older man. Her husband, Charlie, is a renowned sexologist and writer. Equal parts Alfred Kinsey and Warren Beatty, Charlie is pompous yet charming, supportive yet unfaithful; he's a firm believer that sex and love can't coexist for long, and he does little to hide his

affairs. Claire's life with Charlie is an always interesting if not deeply devoted one, until Charlie is struck dead one day on the sidewalk by a falling sculpture ... a Giacometti, no less! Once a promising young writer, Claire had buried her ambitions to make room for Charlie's. After his death, she must reinvent herself. Over the course of a year, she sees a shrink (or two), visits an oracle, hires a "botanomanist," enjoys an erotic interlude (or ten), eats too little, drinks too much, dates a hockey player, dates a billionaire, dates an actor (not any actor either, but the handsome movie star every woman in the world fantasizes about dating). As she grieves for Charlie and searches for herself, she comes to realize that she has an opportunity to find something bigger than she had before—maybe even, possibly, love.

[I'm Grieving As Fast As I Can](#) St. Martin's Press

With her signature warmth, hilarity, and tendency to overshare, Leslie Gray Streeter gives us real talk about love, loss, grief, and healing in your own way that "will make you laugh and cry, sometimes on the same page" (James Patterson). Leslie Gray

Streeter is not cut out for widowhood. She's not ready for hushed rooms and pitying looks. She is not ready to stand graveside, dabbing her eyes in a classy black hat. If she had her way she'd wear her favorite curve-hugging leopard print dress to Scott's funeral; he loved her in that dress! But, here she is, having lost her soulmate to a sudden heart attack, totally unsure of how to navigate her new widow lifestyle. ("New widow lifestyle." Sounds like something you'd find products for on daytime TV, like comfy track suits and compression socks. Wait, is a widow even allowed to make jokes?) Looking at widowhood through the prism of race, mixed marriage, and aging, *Black Widow* redefines the stages of grief, from coffin shopping to day-drinking, to being a grown-ass woman crying for your mommy, to breaking up and making up with God, to facing the fact that life goes on even after the death of the person you were supposed to live it with. While she stumbles toward an uncertain future as a single mother raising a baby with her own widowed mother (plot twist!), Leslie looks back on her love story with Scott, recounting their journey through racism, religious differences, and persistent confusion about what kugel is. Will she find the strength to finish the most important thing that

she and Scott started? Tender, true, and endearingly hilarious, *Black Widow* is a story about the power of love, and how the only guide book for recovery is the one you write yourself. Nora Webster Bantam A newly-widowed woman has done a runner. She just jumped in her car, abandoned her (very nice) house in north London and kept on driving until she reached the Norfolk coast. Now she's rented a tiny cottage and holed herself away there, if only to escape the ceaseless sympathy and insincere concern. She's not quite sure, but thinks she may be having a bit of a breakdown. Or perhaps this sense of dislocation is perfectly normal in the circumstances. All she knows is that she can't sleep and may be drinking a little more than she ought to. But as her story unfolds we discover that her marriage was far from perfect. That it was, in fact, full of frustration and disappointment, as well as one or two significant secrets, and that by running away to this particular village she might actually be making her own personal pilgrimage. By turns elegiac and highly comical, *The Widow's Tale* conjures up this most defiantly unapologetic of narrators as she begins to pick over the wreckage of

her life and decide what has real value and what she should leave behind.
