Too many believers get sidetracked trying to wrestle with evil powers that aren't really there. Yes, there is spiritual warfare for the believers. But there is also "real world" living, where it's not the Devil trying to destroy us, it's simply seasons of testing. If we pass the test, we move to the next level. If we fail, we take the same course of study again. This book is a look at the life of Joseph and the multiple tests that he took, how he passed, and how we often face the same tests in our daily life.
