### **Transformational Journaling for Coaches, Therapists, and Clients** Ballantine Books

Discover the revolutionary writing practice that can transform your life! In 1976, Linda Trichter Metcalf, then a university English professor, sat down with pen and paper and intuitively started a self-guided writing practice that helped to bring herself into focus and clarify her life as never before. She and a colleague, Tobin Simon, introduced this original method into their classrooms. They experienced such solid response from their students that, for the last twenty-five years, they have devoted themselves to teaching what has now become the respected practice of Proprioceptive Writing®—in workshops, secondary and elementary schools, and college psychology and writing classes around the country, among them the New School University. “Proprioception” comes from the Latin proprius, meaning “one’s own,” and this writing method helps synthesize emotion and imagination, generating authentic insight and catharsis. Proprioceptive Writing® is not formal writing, nor is it automatic or stream-of-consciousness writing. Requiring a regular, disciplined practice in a quiet environment, the method uses several aids to deepen attention and free the writer within: Baroque music, a candle, a pad, and a pen. Presenting Proprioceptive Writing® in book form for the first time, Writing the Mind Alive shows how you, too, can use it to • Focus awareness, dissolve inhibitions, and build

self-trust • Unburden your mind and resolve emotional conflicts • Connect more deeply with your spiritual self • Write and speak with strength and clarity • Enhance the benefits of psychotherapy • Awaken your senses and emotions • Liberate your creative energies Featuring actual “writes” by students of all ages, Writing the Mind Alive is a catalyst for mental and emotional aliveness that can truly enrich the rest of your life.

The Art and Heart of Reflection Simon and Schuster

The old saying goes, “To the man with a hammer, everything looks like a nail.” But anyone who has done any kind of project knows a hammer often isn’t enough. The more tools you have at your disposal, the more likely you’ll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY

Farnam Street (FS) is one of the world’s fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history’s brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They’re not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

#### **Think Write Create** W. W. Norton & Company

Have you ever longed to be able to draw or paint, write or compose music? With The Artist's Way you can discover how to unlock your latent creativity and make your dreams a reality. With the basic principle that creative expression is the natural direction of life, Julia Cameron leads you through a comprehensive 12-week

program to recover your creativity from a variety of blocks, including limiting beliefs, fear, self-sabotage, jealousy, guilt, addictions and other inhibiting forces, replacing them with artistic confidence and productivity. This book links creativity to spirituality by showing how to connect with the creative energies of the universe. The Artist's Way provides a twelve-week course that guides you through the process of recovering your creative self. It dispels the 'I'm not talented enough' conditioning that holds many people back and helps you unleash your own inner artist. Its step-by-step approach will enable you to: start out on your own path to creativity, dissolve the barriers that prevent your creative impulse from finding expression, use your rediscovered talents in whatever way you wish, learn that it is never too late to start fulfilling your dreams. The Artist's Way helps demystify the creative process by making it part of your daily life. It tackles your self-doubts, self-criticism and worries about time, money and the support to pursue your creative dream. It has already helped thousands of people to uncover their hidden talents - it can help you, too.

#### *Write It Up* Amer Psychological Assn

"Write about what keeps you awake at night." That's the advice James Pennebaker and John Evans offer in Expressive Writing: Words that Heal. This book will help you overcome the traumas and emotional upheavals that are keeping you awake. You'll resolve issues, improve your health, and build resilience. Based on nearly 30 years of scientific research, the book shows you how and when expressive writing can improve your health. Its clear explanations of the writing process will enable you to express your most serious issues and deal with them through writing".-- book cover.

#### **Language Connections** Flatiron Books

When nomad artist and free spirit Dan Price began jotting down his musings in the form of whimsical drawings and inspired prose, he hardly could have imagined that his self-published journal-zine, the MOONLIGHT CHRONICLES, would earn him a cult following across the country. Now in its twentieth edition, the MOONLIGHT CHRONICLES has brought Dan's creed of "truth, beauty, and really big sabbaticals from the convention of life" to thousands across the country. With such a following, Dan figured it was time to collect his offbeat observations into book form in hopes of inspiring other would-be journal writers to take pen, camera, and brush in hand. As Dan is fond of noting "Seems there's tons of empty journal books, but not too many on how to fill 'em up!" In HOW TO MAKE A JOURNAL, Dan answers the call, teaching readers how to tap into those pent-up creative juices and collect their life experiences on paper.

Katherine Arden's bestselling debut novel spins an irresistible spell as it announces the arrival of a singular talent with a gorgeous voice. "A beautiful deep-winter story, full of magic and monsters and the sharp edges of growing up."—Naomi Novik, bestselling author of *Uprooted* Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Above all, Vasya loves the story of Frost, the blue-eyed winter demon. Wise Russians fear him, for he claims unwary souls, and they honor the spirits that protect their homes from evil. Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village. But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long concealed—to protect her family from a threat sprung to life from her nurse's most frightening tales. Praise for *The Bear and the Nightingale* "Arden's debut novel has the cadence of a beautiful fairy tale but is darker and more lyrical."—*The Washington Post* "Vasya [is] a clever, stalwart girl determined to forge her own path in a time when women had few choices."—*The Christian Science Monitor* "Stunning . . . will enchant readers from the first page. . . . with an irresistible heroine who wants only to be free of the bonds placed on her gender and claim her own fate."—*Publishers Weekly* (starred review) "Utterly bewitching . . . a lush narrative . . . an immersive, earthy story of folk magic, faith, and hubris, peopled with vivid, dynamic characters, particularly clever, brave Vasya, who outsmarts men and demons alike to save her family."—*Booklist* (starred review) "An extraordinary retelling of a very old tale . . . *The Bear and the Nightingale* is a wonderfully layered novel of family and the harsh wonders of deep winter magic."—Robin Hobb
