A love letter from two Americans to their adopted city, *Tasting Rome* is a showcase of modern dishes influenced by tradition, as well as the rich culture of their surroundings. Even 150 years after unification, Italy is still a divided nation where individual regions are defined by their local cuisine. Each is a mirror of its city's culture, history, and geography. But *cucina romana* is the country's greatest standout. *Tasting Rome* provides a complete picture of a place that many

love, but few know completely. In sharing Rome's celebrated dishes, street food innovations, and forgotten recipes, journalist Katie Parla and photographer Kristina Gill capture its unique character and reveal its truly evolved food culture—a culmination of two thousand years of history. Their recipes acknowledge the foundations of Roman cuisine and demonstrate how it has transitioned to the variations found today. You'll delight in the expected classics (cacio e pepe, pollo alla romana, fiore di zucca); the fascinating but largely undocumented Sephardic

Jewish cuisine (hrami con couscous, brodo di pesce, pizzarelle); the authentic and tasty offal (guanciale, simmenthal di coda, insalata di nervitti); and so much more. Studded with narrative features that capture the city's history and gorgeous photography that highlights both the food and its hidden city, you'll feel immediately inspired to start *tasting Rome* in your own kitchen.

Is America a Christian nation?

This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century. More recently, the

Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum. This book contributes to the conversation by critiquing, from an evangelical perspective, the idea that America is a Christian nation as articulated by specific writers over the past three decades. Wilsey asserts that the United States was not conceived as a Christian nation, but as a nation with religious liberty. Herein lies the genius of the Founders and the uniqueness of America.
