Writers & Lovers Palgrave Macmillan

Whether it's fiction or non-fiction, a story is a story, and good story-telling can go a long way towards piquing the attention of your audience. The conundrum most people encounter when deciding to write their autobiography or memoir is that they know they have a great story to tell, but they're not sure how to tell it. If this is how you feel, then you're certainly not alone. The good news is that, while a compelling life story is something you either have or don't have, the technical know-how to put your story into words is something that you can learn. This book is designed specifically for individuals who wish to share their autobiography with the world but need some step-by-step assistance for getting it done. I'm going to provide you with specific guidance on how to structure your story, a sound overview of what's required in the construction of a memoir, and also valuable advice about the finer points of autobiography creation. Let's get started!

Writing Literature Reviews Simon and Schuster

Rachel hates her life. So when her boyfriend David goes to a music festival in England she decides to surprise him - but she gets a nasty shock of her own. David is kissing their friend Jo. Lovely, perfect Jo. Hurt and angry, Rachel makes a wish- and finds herself in Jo's shoes! Can she keep the swap a secret? Over the course of a very weird weekend, Rachel puts herself in someone else's shoes and finds that her own maybe weren't as uncomfortable as she'd always thought. But can she ever be herself again?

How Reading Changed My Life Oxford University Press

An unconventional, irreverent, yet heartfelt memoir by Ryan Higa, one of the top creators on YouTube. With pictures! And illustrations! And, y'know, words. I know you're used to seeing me on the Internet, but here I am, coming at you in book form. You

might be asking yourself, A Book? You? Why? Great question! Why did I write a book? Listen, I'm as surprised about it as you are. But I have a story to tell that I believe will help inspire people who are going through tough times to not only persevere through those tough times but to excel in them. And I couldn't be the only YouTuber without a book, could I? So, welcome to Ryan Higa's *How to Write Good*, by me, Ryan Higa. This is the story of how I went from being a relatively happy kid to being depressed and angry and filled with dark thoughts. This is the story of how I thought I had only one way out of this cruel world. This is the story of how I found a better way. But wait, there's more! You're not only getting my story but you'll also learn how to write good--I mean well--from a college dropout who struggled in basic-level English classes and still became a legit, published Best Selling Author. (That wasn't a typo. I plan to buy a boat one day...but probably not anytime soon. This book might not cell good.)

Seeing Green No Starch Press

The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming experience required and the book is loved by liberal arts majors and geeks alike. If you've ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition

of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any size
- Split, merge, watermark, and encrypt PDFs
- Send email responses and text notifications
- Fill out online forms

Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python, 2nd Edition*.

Cleaving Harper Collins

Are there different types of reviews? Where can you get tips for reviewing a book? Do you wish writing a review was easy? With this book it is. Sharing your opinion with people who want to hear it is fun. Your reviews help fellow readers find out if a book is worth their time and money. Authors appreciate the recognition of a review, no matter how long, and the insight of a review can show them where they need to improve.

'Writing a Simple Book Review; it's easier than you think!', holds these answers and more. You can start writing book reviews today.

My Best Friend Runs Venus SAGE

Jo is a much happier teenager when she moves to the USA and becomes very popular at her new school.

However, when her dream boy, Jake, picks her for the kissing game she does not feel as blissful as she imagined she would. She finds herself in a dilemma - should she keep on with Jake and remain popular or warn him off and risk losing her new friends? She feels split in half at this point. Will she ever be whole again?

Split by a Kiss Random House
"I loved this book not just from the first chapter or the first page but from the first paragraph... The voice is just so honest and riveting and insightful about creativity and life." —Curtis Sittenfeld #ReadWithJenna Book Club Pick as Featured on Today Emma Roberts Belletrist Book Club Pick A New York Times Book Review 's Group Text Selection An

extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother 's sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of

a garage where she works on the novel she 's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey 's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink.

Writers & Lovers follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King 's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

How to Write an Autobiography Read Books Ltd

This engaging guide by bestselling author Bryan Greetham takes students step-by-step through the process of writing a literature review, and equips them with practical strategies to help them navigate each stage. Each bite-sized chapter focuses on a specific aspect of the process, from generating ideas and pinning down the research problem through to searching for sources, citing references and planning, writing and editing the review. Chapters feature examples and exercises to help students apply ideas to their own work. Whether your students are writing a stand-alone review or one that is part of a dissertation or thesis, this guide is their essential companion.

How to Write Your Literature Review Taylor & Francis

This useful guide educates students in the preparation of literature reviews for term projects, theses, and dissertations. The authors provide numerous examples from published reviews that illustrate the guidelines discussed throughout the book.

How to Get Great Book Reviews Frugally and Ethically John Wiley & Sons
People do bad things. They misspeak, mislead, and misbehave. They lie, cheat, steal, and kill. Often, afterward, they apologize. But what makes a successful apology? Why does Joe Biden's 2007 apology for referring to Barack Obama as "articulate and bright" succeed, whereas Mel Gibson's 2006 apology for his anti-Semitic tirade fails? Naturally, the effectiveness of an apology depends on the language used, as well as the

conditions under which we offer our regrets. In *Sorry About That*, linguist Edwin Battistella analyzes the public apologies of presidents, politicians, entertainers, and businessmen, situating the apology within American popular culture. Battistella offers the fascinating stories behind these apologies alongside his own analysis of the language used in each. He uses these examples to demonstrate the ways in which language creates sincere or insincere apologies, why we choose to apologize or don't, and how our efforts to say we are sorry succeed or fail. Each chapter expands on a central concept or distinction that explains part of the apology process. Battistella covers over fifty memorable apologies from McDonald's, Martha Stewart, Oprah Winfrey, Jane Fonda, Bill Clinton, and many more. Moving back and forth between examples and concepts, Battistella connects actual apologies with the broader social, ethical, and linguistic principles behind them. Readers will come away from the book better consumers of apologies - and better apologizers as well.

This book provides you with all the tools you need to write an excellent academic article and get it published.

Writing Book Reviews Suggestions to Medical Authors and A.M.A. Style Book
How to Write a Simple Book Review

For more than two hundred years, book reviewers have influenced American readers, setting our literary agenda by helping us determine not only what we read but also what we think about what we read. And for nearly as long, critics of these critics have lambasted book reviews for their overpraise, hostility, banality, and bias. *Faint Praise* takes a hard and long-overdue look at the institution of book reviewing. Gail Pool, herself an accomplished reviewer and review editor, analyzes the inner workings of this troubled trade to show how it works—and why it so often fails to work well. She reveals why bad reviewing happens despite good intentions and how it is that so many intelligent people who love books can say so many unintelligent things on their behalf. Reviewers have the power to award prestige to authors, give prominence to topics, and shape opinion and taste; yet most readers have little knowledge of why certain books are selected for review, why certain reviewers are selected to review them, and why they so often praise books that aren't all that good. Pool takes readers behind the scenes to describe how editors choose books for review and assign them to reviewers, and she examines the

additional roles played by publishers, authors, and readers. In describing the context of reviewing, she reveals a culture with little interest in literature, much antipathy to criticism, and a decided weakness for praise. In dissecting the language of reviews, Pool demonstrates how it often boils down to unbelievable hype. Pool explores the multifaceted world of book reviewing today, contrasting traditional methods of reviewing with alternative book coverage, from Amazon.com to Oprah, and suggesting how the more established practices could be revised. She also explores the divide between service journalism practiced by reviewers versus the alleged high art served up by literary critics—and what this fuzzy boundary between reviewing and criticism really means. This is the first book to analyze the field in depth, weighing the inherent difficulties of reviewing against the unacceptable practices that undermine the very reasons we read—and need—reviews. *Faint Praise* is a book not just for those who create and review books but also for everyone who loves books. By demystifying this hidden process, Pool helps everyone understand how to read reviews—and better decide what to read.

Writing Performance Reviews University of Chicago Press

All students and professors need to write, and many struggle to finish their stalled dissertations, journal articles, book chapters, or grant proposals. Writing is hard work and can be difficult to wedge into a frenetic academic schedule. In this practical, light-hearted, and encouraging book, Paul Silvia explains that writing productively does not require innate skills or special traits but specific tactics and actions. Drawing examples from his own field of psychology, he shows readers how to overcome motivational roadblocks and become prolific without sacrificing evenings, weekends, and vacations. After describing strategies for writing productively, the author gives detailed advice from the trenches on how to write, submit, revise, and resubmit articles, how to improve writing quality, and how to write and publish academic work.

Why They Can't Write Amer Psychological Assn

This user-friendly book is filled with guidelines to help you write performance objectives, reviews, appraisals, and other performance documentation. The book's tips and tools help you find language that's clear, descriptive, objective, and acceptable in today's workplace. Examples, questions, and activities

will help you learn on your own, with your team, or with others in your organization.
