new perspectives and opens up new dimensions of satire for critical analysis. Adapting to its object of study, this eclectic collection brings to bear upon classical, British, continental, and American satires the insights of New Criticism, philology, rhetorical analysis, anthropology, genre theory, semiotics, deconstruction, cultural criticism, and new historicism. The writers seek useful generalizations about satire, while at the same time offering close readings of individual authors working in a variety of cultural and temporal settings. Focusing on Lucilius to Joe Bob

Briggs, the collection discusses, among other things, the verse of Horace, Pope, and Swift; novels from German Enlightenment culture; the operas of W. S. Gilbert; the lyrics of John Berryman; and the postmodernist British campus novel.

### From Sprezzatura to Satire Penguin

Political humor and satire are, perhaps, as old as comedy itself, and they are crucial to our society and our collective sense of self. Satire is confrontational. It 's about pushback, dissent,

discord, disappointment, and demonstrating the absurdity of the status quo. This book is an attempt to explore how these aspects of satire help secure our sanity. Aristotle famously said that humans are naturally political animals. We need political community to flourish and live good lives. But politics also entails unpopular decisions, oppression, and power struggles. Satire is a vehicle through which we reflect on and challenge the irrational, incomprehensible, and intolerable nature of our

---

lives without becoming totally despondent or depressed. In a poignant, pithy, but not ponderous manner, Al Gini and Abraham Singer delve into the history of satire to rejoice in its triumphs and watch its development from ancient graffiti to the latest late-night TV talk show.

*Laughing to Keep from Dying* Penguin

In this darkly hilarious satire by the inimitable Will Aitken, class war erupts aboard a luxury cruise ship. A boatload of white

privilege, The Emerald Tranquility is the most luxurious cruise liner afloat, its passengers some of the richest people in the world. Meanwhile the ship's crew, overworked and underpaid, live packed tightly together in airless below-deck cabins. The passengers encounter a great number of cataclysms at sea, but no matter the catastrophe, the great ship always sails on. Briony, a globetrotting luxury travel writer, emulates the rich – though homeless and

penniless herself – as she hops from gig to all-expenses-paid gig. On her own personal voyage, she encounters Mrs. Moore, an enigmatic woman of advanced age clandestinely fomenting a mutiny on this bountiful ship. With the captain overthrown, roles quickly reverse: the crew become the ship's new leisure class and the aged passengers learn how to mop floors and scrub toilets. Confused and terrified by the resultant chaos, Briony

Meet Morris Feldstein, a pharmaceutical salesman living and working in western Long Island who loves the Mets, loves his wife Rona, and loves things just the way they are. He doesn't enjoy the news; he doesn't like to argue. Rona may want to change the world; Morris wants the world to leave him alone. Morris does not make waves. But one day Morris is seduced by a lonely,

lovesick receptionist at one of the doctors' offices along his sales route, and in a moment of weakness charges a non-business expense to his company credit card. No big deal, you might think. Easy mistake. But the government's top-secret surveillance program, anchored by a giant, complex supercomputer known as NICK, thinks differently. Eventually NICK begins to thread together the largely disparate and tenuously connected strands of Morris's life.

Published anonymously in 1729, Jonathan Swift ' s satirical essay, A Modest Proposal, puts forth the darkly comical idea that the starving poor of Ireland might alleviate their economic condition by

selling their children as food for wealthy gentlemen and ladies. At its core, Swift ' s Modest Proposal satirizes English exploitation of Ireland in particular and the heartless attitude that rich elites can develop towards the poor in general. A trailblazing collection of writing from Binyavanga Wainaina's extraordinary life 'In your text, treat Africa as if it were one

country. It is hot and dusty with rolling grasslands and huge herds of animals and tall, thin people who are starving. Or it is hot and steamy with very short people who eat primates. Don't get bogged down with precise descriptions.' Binyavanga Wainaina was a seminal author and activist, remembered as one of the greatest chroniclers of contemporary African life. After his death in 2019, this ground-breaking collection brings together his pioneering writing on the African continent for the first time. A rule-breaker full of wry satire and

A provocative and bracing send-up of modern masculinity, from the author of *Class and The Story of My Purity* Marcello, an editor and poet, is on the brink of his forties. Like everyone in his life, including his sister-in-law, he 's writing a novel. This novel. This novel will be about women. Love. Growing

---

older. Maybe even taking responsibility. But unfortunately for Marcello, the women in his life resist definition. They flit and flicker constantly between archetype and actuality: sirens and saviors, subordinates and savants, vixens and villains. So Marcello cannot write plainly about love. Instead, he tries to write into the complexities of his many relationships: Eleonora, the junior

editor, his former protégé and sometime lover; Barbara, his claustrophobic girlfriend; his estranged gay sister; his elegant mother. Fresh, frank, and painfully cool, Francesco Pacifico's *The Women I Love* dives nakedly into gender, sex, and power. Set in a vivid and alcoholic Italy, it acknowledges and subverts the narrow ways canonical male writers gaze at, and

somehow fail to see, women—illuminating the possibility of equity between people in love, in bed, in work, and in life.
