How to Write a Synthesis Essay - A Research Guide for Students

The body of a synthesis essay: This should be organized by theme, point, similarity, or aspect of the topic. Your organization will be determined by the assignment or by the patterns you see in the material you are synthesizing. The organization is the most important part of a

synthesis, so try out more than one format.

You have to note down the key points from each of the sources you have read/seen. In addition, you should also write down the thesis from each of the sources that you have studied/read. Now make your own thesis for the synthesis essay. It should be linked directly with the sources you have studied just a while ago.
