That all changed the day the Witch of the Waste turned her into an old woman. In order to lift the spell, Sophie barges into Wizard Howl's moving castle and strikes a bargain with Calcifer, his fire demon. But Howl is outrunning a curse of his own, and soon Sophie realizes that nothing is as it appears. . . . Howl, Sophie, and Calcifer return in both *Castle in the Air* and *The House of Many Ways*, two stand-alone sequels full of mayhem, secrets, and magic.

The Missing Golden Ticket and Other Splendiferous Secrets Howl's Moving Castle

In this New York Times bestselling thriller, a doctor is kidnapped in the mountain wilderness after a fight with her husband -- and as the FBI closes in, she must make dangerous choices to survive. Dr. Emory Charbonneau, a pediatrician and marathon runner, disappears on a mountain road in North Carolina minutes after an argument with her husband Jeff. But by the time he reports her missing, the trail has (literally) gone cold. Fog and ice encapsulate the wilderness and freeze the search. While police suspect Jeff of "instant divorce," Emory regains consciousness only to find herself the captive of a man whose violent past is so dark he won't even tell her his name. She's willing to take any risks necessary to survive. But before she can escape, the two encounter dangerous people who adhere to their own code of justice. A desperate young woman is caught at the center of a dispute, and Emory can't bring herself to look the other way, even if it means breaking the law. Rising tension and barely restrained passion blurs the lines between right and wrong, and Emory begins to wonder if the man with no name is the one who has rescued her from death . . . and from heartbreak. Combining the nail-biting suspense and potent storytelling that has made Sandra Brown one of the world's best-loved authors, Mean Streak is a wildly compelling novel about love, deceit, and the choices we must make when our lives are on the line.

The Lives of Christopher Chant Harper Collins

From the award-winning author, "a breathtaking journey of revenge and redemption that pits a stubborn, devoted girl against an unknown evil" (Kirkus Reviews, starred review). On Gullstruck Island, legend has it that the mountain ranges and volcanoes are in charge. Anger them, and you'll pay the price. Keep them happy, and you'll enjoy their protection. These stories of the land's command come in handy for quiet, near-invisible Hathin when she must run for her life. Hathin's sister, Arilou, is believed to be a Lost. The Lost are held nearly sacred by those on Gullstruck, for they can send their senses away from their bodies. If Lost, Arilou can read a message across the island. If Lost, Arilou can hear whispers in the corners of private rooms. If Lost, Arilou can smell bread baking in the governor's mansion. All from her beachside hut. But the question remains: Is Arilou really a Lost? When all the Lost drop dead, except Arilou, she and Hathin are swept into a grand conspiracy that leads them to the most sinister depths—and heights—of the island. "Filled with sentient volcanoes, gem-studded teeth, villains, heroes, revenge, love, and the world's most

frightening dentist, this is a book to rival *The Princess Bride* in scope, adventure, and excitement. It's Hardinge's magnum opus. One that I dearly hope both kids and adults enjoy in equal measure."

—A Fuse #8 Production, *School Library Journal* "Delightfully inventive . . . Ripe, rollicking, and endlessly creative." —The *Guardian* "A luminous example of gifted storytelling at its best."

—Publishers Weekly (starred review)
