Advanced Accounting McGraw-Hill Education
The approach used by Hoyle, Schaefer,

and Douplik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 10e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the nine previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style

remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The Tenth Edition includes an increase integration of IFRS as well as the updated accounting standards.

Solution Tran. Advanced Accounting McGraw-Hill/Irwin

ADVANCED ACCOUNTING, 7e, by Hoyle/Schaefer/Doupnik is a solid revision to a successful and comprehensive text known for its ample integration of real world examples, student orientation, and popular writing style. Additional real world content, Internet Assignments and an expanded web site make the text even more pedagogically sound and appealing to users. Coverage of all recent FASB and GASB proclamations keep the seventh edition of Hoyle/Schaefer/Doupnik current.

The 15th edition allows students to think critically, just as they will in their careers and preparing for the CPA exam. It provides a well-balanced appreciation of the accounting profession and focuses on past controversies and present resolutions. It shows the development of financial reporting as a product of intense and considered debate that continues today and will in the future. It is praised for its easy comprehension and engaging, lively and conversational tone, and has relatable examples from Forbes, Wall Street Journal and Bloomberg Business Week throughout. Discussion questions (like mini cases) help explain the issues in practical terms. Often these cases demonstrate to students why a topic is problematic and worth considering. Strong end of chapter questions like develop your skills help students master Research, Analysis, Spreadsheet and Communication needed to pass the CPA Exam. In Connect students have UWorld CPA Review questions, SmartBook, Integrated Excel and
