The tray can be extended for legal size paper. Remove the tray and note the blue release lever on the left side. Releasing this lever will allow expanding the tray to legal size. After expanding the tray move the center slider to provide appropriate alignment of the loaded paper.

how do I use legal sized paper in OfficeJet Pro 8600 Plus

My brand-new OfficeJet 8600 Pro Plus also does a poor job of feeding photo paper. And the instructions in the user manual for loading media are not very clear -- it says to "make sure the stack of media aligns with the line on the width guide". What-ever THAT Means. When it didn't feed paper, I tried moving the paper into different locations (as ...
