*A Handful of Dirt* Europe Comics  
1948. The creation of the Hebrew state is proving to be not exactly a peaceful affair, starting with the Egyptian bombs that are regularly falling on Tel-Aviv. All that Israel has to fight the lethal enemy 'Spitfires' are some old 'Mezek', flown by Jewish volunteers from all over the world, but also mercenaries from rather more sinister backgrounds. Bjorn is one of those mercenaries. He's come to risk his life for several million dollars, a fact that galls his brothers-in-arms, who are fighting not for cash but for their ideals!

Oral Cancer Awareness patients and survivors to write down their Oral Cancer Journey or to keep track of doctor's appointments, treatment. Writing is a great stress reliever, as well as a way to cope with your thoughts, feelings, and fears about Oral Cancer. It will also give survivors a chance to look back on their journey and recall their fight. This journal will give patients motivation to keep going, never give up and never lose hope or faith. This blank lined notebook is a perfect gift for that special person battling Oral Cancer.

**Handbook of Cognition** Penguin  
"Is that my cat? It can't be. My cat is a slim, sleek pussy cat." Something strange is happening with this rather large kitty-the one who used to fit through the cat door, climbed trees fearlessly, and always wanted to play. Now she lazes on the

windowsill, and it takes two hands to pick her up! Keep guessing as the story unfolds page by page, until right at the end when there's a big surprise!

**Longarm in Hell's Half Acre** B&H Publishing Group  
Gross Domestic Product (GDP) as an indicator of the economic progress of a nation was first structured as an indicator of wartime productivity during World War II. But since then, the concept of GDP has fallen short on many counts, in spite of the stature *Japanese Apologies for World War II* Routledge

moral climate.

GDP Estimation SAGE

The Wiley-Interscience Paperback Series consists of selected books that have been made more accessible to consumers in an effort to increase global appeal and general circulation. With these new unabridged softcover volumes, Wiley hopes to extend the lives of these works by making them available to future generations of statisticians, mathematicians, and scientists. "Books such as this that bring together, clarify, and summarize recent research can lead to a great increase of interest in the area. . . . a major achievement in describing many aspects of spatial data and discussing, with examples, different methods of analysis." -Royal Statistical Society "Dr.

Ripley's book is an excellent survey of the spatial statistical methodology. It is very well illustrated with examples [that] give a clear view of the wide scope of the subject, the way in which techniques often have to be tailored to particular applications, and the different sorts of spatial data that arise." -The Bulletin of the London Mathematics Society Spatial Statistics provides a comprehensive guide to the analysis of spatial data. Each chapter covers a particular data format and the associated class of problems, introducing theory, giving computational suggestions, and providing examples. Methods are illustrated by computer-drawn figures. The book serves as an introduction to this rapidly growing

research area for mathematicians and statisticians, and as a reference to new computer methods for researchers in ecology, geology, archaeology, and the earth sciences.

Steck-Vaughn Elements of Reading Fluency Amer Society of Civil Engineers

This book examines the role of the geotechnical baseline report (GBR) as a means of allocating and managing subsurface risks associated with subsurface construction. *Warm Beer, Lousy Food* John Wiley & Sons  
The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing

---

open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always

right for a good time and Warm Beer and Lousy Food was the place to be.

*Batteries in a Portable World*  
iUniverse

Now featuring new cover artwork, Moore's popular book "To Live Is Christ" looks closely at the passionate and inspiring faith and life of the apostle Paul.

*Neurological Surgeon Because Freaking Awesome Is Not an Official Job Title* Kregel Publications

Discusses the nature and importance of soil and the many forms of life it supports.
