Pragmatist Truth in the Post-Truth Age Wentworth Press

Accelerate sales and improve customer experience Every day, most working professionals entrust their most important messages to a form of communication that doesn't build trust, provide differentiation, or communicate clearly enough. It's easy to point to the sheer volume of emails, text messages, voicemails, and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness. But the faceless nature of that communication is also to blame. Rehumanize Your Business explains how to dramatically improve relationships and results with your customers, prospects, employees, and recruits by adding personal videos to emails, text messages, and social messages. It explains the what, why, and how behind this new movement toward simple, authentic videos—and when to replace some of your plain, typed-out communication with webcam and smartphone recordings. • Restore face-to-face communication for clarity and connection • Add a personal, human touch to your emails and other messages • Meet people who've sent thousands of videos • Learn to implement your own video habit in an easy, time-saving way • Boost your replies, appointments, conversion, referrals, and results dramatically If you're ready to influence, teach, sell, or serve in a more personal way, Rehumanize Your Business is your guide.

Halogen Bonding I Hayden Books

The authors trace the emergence of Ataturk and Reza Shah through the constitutional revolutions in Iran and the Ottoman Empire, which led to the introduction of European social models, the establishment of dictatorship and of secularist reforms. This produced in both Turkey and Iran highly authoritarian, nationalist, and quasi-westernised states, where the personality cult of the leader defined the politics of each country."

Rehumanize Your Business John Wiley & Sons

This booklet published by Advaita Ashrama, a Publication House of Ramakrishna Math, Belur Math, India, comprises the text of the speeches delivered by Pandit Jawaharlal Nehru, the first Prime Minister of India, on Sri Ramakrishna and Swami Vivekananda, on two different occasions. Since the dawn of these two spiritual luminaries on the horizon of modern India, they have evoked a deep interest in the subject of religion and spirituality among a wide circle of people so as to include intellectuals, philosophers, scientists, politicians, statesmen and others, to mention just a few. In this light, it would be extremely interesting for all the admirers and devotees of Sri Ramakrishna and Swami Vivekananda to know what the well-known statesman of India had to say on them.

Women and Leisure HarperCollins UK

The Paradox of Pleasure and Relativity Springer

The Day Lincoln Was Shot is a gripping, minute-by-minute account of April 14, 1865: the day President Abraham Lincoln was tragically assassinated. It chronicles the movements of Lincoln and his assassin John Wilkes Booth during every movement of that fateful day. Author and journalist Jim Bishop has fashioned an unforgettable tale of tragedy, more gripping than fiction, more alive than any newspaper account. First published in 1955, The Day Lincoln Was Shot was a huge bestseller, and in 1998 it was made into a TNT movie, with Rob Morrow as Booth.

Certificate Practical Physics John Wiley & Sons

Test your knowledge and know what to expect on A+ exam day CompTIA A+ Complete Practice Tests, Second Edition enables you to hone your test-taking skills, focus on challenging areas, and be thoroughly prepared to ace the exam and earn your A+ certification. This essential component of your overall study plan presents nine unique practice tests—and two 90-question bonus tests—covering

100% of the objective domains for both the 220-1001 and 220-1002 exams. Foreign Directories I.B. Tauris

The author traces with compelling detail the evolution of the Russian state, where the Tsar claimed to own the land and its inhabitants as if they were his own personal property. Professor Pipes analyzes the political behavior of Russia's peasantry, nobility and bourgeoisie as well as its clergy, showing why none of them could limit the absolute power of the state. He discusses how the intelligentsia challenged the Tsars' power, leading to increased repression and Russia's development as a bureaucratic police state. This sweeping epic brings Russia's turbulent history to life and helps us better understand the roots of modern Russia.

The Day Lincoln Was Shot

It is commonly believed that populist politics and social media pose a serious threat to our concept of truth. Philosophical pragmatists, who are typically thought to regard truth as merely that which is 'helpful' for us to believe, are sometimes blamed for providing the theoretical basis for the phenomenon of 'post-truth'. In this book, Sami Pihlstr ö m develops a pragmatist account of truth and truth-seeking based on the ideas of William James, and defends a thoroughly pragmatist view of humanism which gives space for a sincere search for truth. By elaborating on James's pragmatism and the 'will to believe' strategy in the philosophy of religion, Pihlstr ö m argues for a Kantian-inspired transcendental articulation of pragmatism that recognizes irreducible normativity as a constitutive feature of our practices of pursuing the truth. James himself thereby emerges as a deeply Kantian thinker.
