I love the HP  
L7780! Just last

night my wife said  
she loves it too  
and she's usually  
agnostic on  
technology. This is  
used as a  
home/office  
printer. This was a  
replacement for a  
2000 HP All in One  
that was still  
working but I  
wanted the new  
features.
