The ability to proficiently detect a change in the environment is crucial to survivability.

Attention is a cognitive function with limited capacity. Selective attention is an unconscious focusing of attentiveness in an environment.

Fields of battle are subjected to a relentless bombardment of corporeal information necessitating peripheral (non-focused) attention. A battle environment will incline a

soldier to narrowly focus attention on elements in this environment particular to the soldier.

The subjective nature of selective attention along with stress can lead some soldiers to divert attention away from threats, which negatively impacts the performance of the soldier and offers an explanation as to why some combatants will fail to engage targets as ingrained in training during initial contact. Visuospatial activities such as action video gaming improve attentional capture that may overcome deficits in selective attention. This paper combines research to demonstrate that specific visuospatial integration training, a refinement of personality trait, can compensate for diminished selective attention in battlefield situations through attentional capture and execution time. These

---

developments will show to be an extension of selective attention and improve performance on the field of battle.

Are you looking for new recipes to add some variety to your CHICKEN RECIPES?

Chicken is one of the most popular meats in the world. It can be eaten hot or cold. You can eat it as an appetizer or main dish, in soups, stews and a multitude of other dishes. Now, with OVER 600 Easy Classic Chicken Recipes, you have a whole new range of quick recipes to

make. With so many dishes to choose from, you could eat chicken several days of the week and never get tired of it. With sections that include tips on various chicken cooking styles, complete instructions, and necessary ingredients, this is a one-stop cookbook for chicken recipes that is second to none. Buy Tasty Recipes - Chicken Recipes today and do something different for dinner! You can call chicken a lot of things. White canvas, go-to of the week, lean protein, we've heard it all. But boring? That's where we draw the line. Sure, it may have gotten a little redundant. But that's not the chicken's fault. ATK is here with the inspiration you need. It's time for those chicken pieces in your freezer to get the respect they deserve. Chicken is a go-anywhere, eat-with-everything, highly transformable crowd favorite that always fills the bill. Find exactly what you're looking for

(and more!) with a wide range of themed chapters, including easy dinners, classic braises, breaded and fried, pasta and noodles, pot pies and casseroles, and appliance-specific recipes. There's even a chapter devoted to recipes for cooking for two. And with an introduction detailing how to prepare any part of the chicken, from pounding breasts and making cutlets to whole-bird skills like butterflying or breaking down the chicken, you'll be a poultry pro in no time. Settle in on succulent roasted chickens with sauces made from the leftovers, sink your teeth into the crispiest fried chicken you've ever had, try sous vide for incredibly moist chicken, or fire up the grill for everything from kabobs to beer-battered chicken. Feel like making things on the fly? So do we. Our favorite is our game-changing Korean fried chicken wings, fried twice so they stay extra

crispy under their blanket of spicy, salty, and slightly sweet sauce. With over 600 recipes, you could eat chicken every night and never get tired of it. (And yes, this is a challenge). OVER 60 recipes for EVERYTHING you'll want to make.

Troy Springer has handed us a generous and timely masterpiece with her debut novel. *Beyond Mortal* opens the veils of time and space, exposing a joyful and believable future, a future newly born and healing from humanity's immature and misguided mistakes. She will transport you to the pristine wilderness, where you will be immersed in the seductive sights, smells, sounds, and culture of an eclectic and isolated community dedicated to natural law. The depth of emotion, intelligence, and creativity of her characters will draw you in and hold you captive. Ms. Springer's sex scenes are

---

deeply erotic in the purest sense. They portray our yearning to unite physically and spiritually with another. You can almost hear the music being played at the gathering and imagine the exquisite instruments. You will feel the power of Cora Edgewood and other healers. You will learn to love Nile, an innocent and mysterious foreigner "Springer's knowledge of herbal and sound medicine is true to form. She brings us into exciting, newly emerging worlds of reality. I did not want it to end." "Beyond Mortal is a thoroughly entertaining account of the strength and majesty of the human race and our purpose on Earth. Springer has brought us a story that our very souls have been longing for, showing us that we are not alone on our journeys through life." "Her iconic characters will not only tickle your funny bone, but will open your heart and mind to evolutionary possibilities. I will not spoil the exciting plot, but please, do save the ending for last. You have never read anything like this before."
