HP Solution Center is a Windows software program for HP Printers. It came with many HP printers manufactured prior to 2011. With it, you can perform many printer related tasks such as scanning an image, ordering supplies, checking ink levels, and more. This document contains answers to the most frequently asked questions about HP Solution Center.

Introduction Although your HP printer functions essentially the same with the in-Operating System (in-OS) driver, you might notice some differences. One difference is that you will not have access to HP Solution Center as before. However, there are workarounds available for the tasks you typically perform with HP Solution Center.
