Learning & Living in the 21st Century li for H.s.'
2007 Ed. Information Gatekeepers Inc

Although the Windows XP Media Center is designed as a consumer product, it is actually more complex than the conventional computer and home entertainment devices it replaces. That's why this book--written in the fun, friendly Absolute Beginner's style--is required reading for buyers of these multitasking, media-centric machines. It is written in an easy-to-understand tone that won't confuse readers with lots of technical jargon.

InfoWorld Pearson Education India

Many times helpdesks have limited staff to handle the high volume of support calls.

This can result in higher hold times or delays in answering your technical questions. The answer may be as simple as restarting the computer. Having the knowledge of simple technical tools will help you avoid long hold times or a long conversation. Not only do you save yourself from frustration from long tech support calls but you also get your computer up and running quicker.
