Complete A+ Guide to IT Hardware and Software Pearson IT Certification Originally published in 1966, A. E. Zucker presented the first modern biography of General de Kalb, a German by birth who held the rank of major general in the Continental Army and died at the Battle of Camden during the American Revolutionary War. Through the use of previously unpublished materials, Zucker's biography challenged previous views of de Kalb and depicts his relationship with Lafayette.

Chromebook for Seniors Independently Published

Into the World of Dreams and Fears Elias, an artist, is at odds with his life on his father s farm, and is forced to make a decision about his future. His grandmother, Nagymama, prepares him for a journey of discovery that takes him from his Hungarian village into a supernatural world. Here he faces powers and mystical beings some that he strives to understand, while others he is forced to battle. With help from Zoltan, a wise man, he finally

confronts the Sarkany, a dragon that changes shape at whim and will. Will Elias triumph over the dark powers around him? If he survives, what will he learn about life and himself? Praise for Elias and the Legend of Sirok: Ed Kardos is a soul searcher. He writes from the head and heart, finding true meaning in the vagaries of life." Dean King, bestselling author of Skeletons on the Zahara About the Author: About the Author: Edward G. Kardos is the author of several books. Inspiration for his writing comes from the beauty that surrounds him both in the people he meets and in the places he visits. Ed and his wife have four children and live in Richmond, Virginia.

The 10th Anniversary Edition of 'The Divine
Code', now in a beautiful 2-volume set, is
ground-breaking in its scope. From history to
prophecy, from apologetics to politics,
numbers are everywhere but not clearly
understood. Steve Cioccolanti has expanded
this study of the meaning of numbers to
include Donald Trump, Jared Kushner,
Benjamin Netanyahu, Kim Clement, Osama
bin Laden, the Third Temple, the 7 Noahide
Laws, World War III, and much more. That is
why it is 'A Prophetic Encyclopedia of
Numbers.''The Divine Code' is a carefully
researched exploration into the meaning of
numbers, codes, cycles and patterns found in
Scripture, nature, history, and prophecy. It
demystifies familiar numbers like 7, 13, 666 and
illuminates lesser known ones like 17, 58 and
708. Years of research and revelation have
crafted this spiritual magnum opus that you will
find an easy read and a joy to keep. Thought-
provoking and highly practical, 'The Divine
Code' is brimming with lively topics such as
God, angels, demons, healing, dreams,
different personalities, and end time prophecy.
As you read it, you will fall in love with the
Creator of Numbers. Let the Spirit of the Lord
show you how to apply numbers to find
meaning in life, fulfill your purpose, and
prepare for eternity. Pick a chapter and you will
find a surprising nugget of truth. As one
reviewer raved, "This is the Bible of Numbers."
Volume I contains the number range 1 to 25.
Volume II contains the number range 26 to
1000. "The Divine Code...is an excellent
reference book that is extremely informative,
inspirational and practical in every way...This

excellent book has reconciled the extremes in doctrines and practices we see all around us, and brings forth the proper balanced Biblical perspective." --PASTOR DENNIS BALCOMBE, Founder of Revival Chinese Ministries International, Missionary to Hong Kong since 1969"Bible Numerics is a subject that will never be exhausted. The Divine Code by Steve Cioccolanti certainly adds to this amazing and fascinating subject." --KEVIN CONNER, Internationally-Recognized Theologian and Author"There is NO OTHER BOOK like 'The Divine Code'...Pastor Cioccolanti is the first pastor I know to highlight God's glory in the Bible through numbers in an entertaining way. I don't think Christians appreciate the importance of numbers. They are afraid that they may be dabbling in Kabbalah or the occult, so this book is ground-breaking in educating people that God created numbers to glorify Him."--LORILYN ROBERTS, Award-

Winning Christian Author
