Develop your business or career with the pre-eminent professional network Most people who are new to LinkedIn don't intuitively recognize the potential of the site when it comes to promoting a business, finding a job/project (or being found for one), or raising money for a business venture. The Complete Idiot's Guide to LinkedIn goes beyond the usual "how to set up and account" and "create a profile" to help readers become LinkedIn superusers and get the most out of the website based on their individual goals.

The book provides new users with clear and detailed guidance on:

- Filling out the various parts of the LinkedIn profile, customizing it to meet specific professional goals.
- The right and wrongs ways of doing things on LinkedIn-especially helpful to those used to Facebook.
- Finding the right people, making the right introductions, and growing and managing networks.
- Finding and communicating with LinkedIn Groups to help achieve individual business goals.
- Specific suggestions for using LinkedIn to find a job, market a business, raise capital, and increase sales.

The Complete Idiot's Guide to LinkedIn
Keith I Myers

If you thought that the app market was just about games and big brands, think again. Businesses of every size in every sector have built their own apps and are reaping real commercial rewards. Because of the relatively low cost of entering the app market, smaller enterprises can level the playing field, often outstripping their larger competitors simply because they have developed and marketed an app that delivers a service that their consumers are looking for. This book isn't about how apps can help you run your business more efficiently, or an in-depth tutorial about how to create an app for your enterprise. Instead, it provides a unique introduction and overview of the possibilities for any small or growing business. It's a focused guide about the business of apps for those whose time is money. Connecting with customers over their mobile phones and tablets allows a more intimate and ultimately more lucrative link between businesses and consumers to be established. With this latest book in the popular Business Bites series, you can help your business take the first steps into an exciting and growing marketplace.
