Only 43 per  
cent of U.S.  
construction  
firms remain in  
business after  
four years.  
Why?  
Inadequate  
management,

---

according to the responsibilities U.S. Small Business Administration. This is surprising because most construction firms are formed by ambitious construction project managers, executives and tradesmen who have excelled at what they have been doing. But as experienced as these entrepreneurs may be, they are not likely prepared to take on the full range of

responsibilities forced on them in managing the business of construction in its entirety. While this business failure rate and its causes are based on U.S. experience, available data from a number of other industrialized countries shows they are similar. This book describes in detail what the business side of the construction equation requires of the construction firm owner.

The contractor who quickly learns these requirements can identify and avoid or manage around the pitfalls that cause the high failure rate in our industry and put his or her construction firm on a level playing field with the best-run companies in the business. The detailed duties of the owner, whether in the U.S., U.K., Australia or Canada, are a common theme throughout the

---

book. The author, Nick Ganaway, speaks peer-to-peer, and the book is sprinkled with supporting examples from his own experience. He is immersed in the industry and this book is "based on the things I've learned, used, and refined as a light-commercial general contractor in the course of starting and operating my own construction firm for 25

years." The contractor doing \$5 million or \$50 million or more in annual sales or the equivalent amount in other countries, or the entrepreneur who is just starting up, can use the tried and proven material in this book to build a business that is profitable, enjoyable, and enduring. Additionally, the book devotes a chapter to specializing in chain-store construction.

---

Communications Commission ("Commission") adopts a rule providing that it is a violation of the duty to negotiate retransmission consent in good faith for a television broadcast station that is ranked among the top four stations as measured by audience share to negotiate retransmission consent jointly with another such station, if the stations are not commonly owned and serve the same geographic market. The rule is intended to promote competition

among Top Four broadcast stations for carriage of their signals by multichannel video programming distributors and facilitate the fair and effective completion of retransmission consent negotiations. This book contains: - The complete text of the Retransmission Consent Negotiations (US Federal Communications Commission Regulation) (FCC) (2018 Edition) - A table of contents with the page number of each section

The book encapsulates some vital facets of construction such as environmental engineering, soil mechanics, etc. Its extensive coverage of this field makes it the ideal reference for the students of civil engineering, professionals and other interested readers alike.

---

Insatiable McGraw-Hill Humanities, Social Sciences & World Languages

This fully-updated new edition of *Politics and the Mass Media* provides a comprehensive introduction to the role of mass communications in politics at all levels, from election campaigns, news reports and lobbying groups to the media activities of pressure groups. The relationship between politics, politicians and the media is a matter of increasingly contentious debate, as politicians'

awareness of the importance of the media becomes more

sophisticated amidst rapidly-advancing media technology and control. Providing a review of the nature and content of political communications and of recent theoretical developments, *Negrine* addresses the issues surrounding today's mass media, including cable and satellite television, investigation of the press, the relationship between the state and broadcasting institutions and the

ever-present question of whether or not Britain needs a media policy. This new edition includes: \* Case studies from television and the press \* Fully revised text with updated sections on the press, broadcasting and media legislation \* Brand new chapters on Europe and globalisation  
*Video in Rural Development*

A stunning tale of suburbia's darker underbelly by the critically

---

acclaimed author of I Wanna Be Your Joey Ramone, Stephanie Keuhnert. Ballads are the kind of songs that Kara McNaughton likes best. Not the clichéd ones where a diva hits her dramatic high note or a rock band tones it down a couple of notches for the ladies, but the true ballads: the punk rocker or the country crooner reminding their listeners of the numerous ways to screw things up. In high

school, Kara helped maintain the "Stories of Suburbia" notebook, which contained newspaper articles about bizarre, tragic events from suburbs all over America, and personal vignettes that Kara dubbed "ballads" written by her friends in Oak Park, just outside of Chicago. But Kara never wrote her own ballad. Before she could figure out what her song was about, she left town suddenly at the end of her

junior year. Now, four years later, Kara returns to her hometown to face the music, needing to revisit the disastrous events that led to her leaving, in order to move on with her life. Intensely powerful and utterly engaging, *Ballads of Suburbia* explores the heartbreaking moments when life changes unexpectedly, and reveals the consequences of being forced to grow up too soon. Random House (NY) Here's the one book any woman contemplating cosmetic surgery must have--by someone who's been through it. Helen Bransford's surgery involved a "touch of lipo" under the chin, a forehead peel, and upper eyelid tuck, dermabrasion under the eyes, and a standard lift. Bransford reports from the cosmetic surgery trenches with authority and understanding. 10 photos. Telecommunications and Broadcasting Bookcraft,

Incorporated Acclaimed restaurant critic Gael Greene dishes up a delectable memoir-complete with her favorite recipes-from a lifelong love affair with food, men, and wine. In 1968, Gael Greene became the restaurant critic of the fledgling New York magazine. Before taking the job, she'd never written a restaurant review in her life. But she was a passionate foodie, and dining in the world's great restaurants on someone else's dime was too enticing to

resist. Thus began a remarkable career charting the restaurants that changed the way Americans ate, the chefs who turned cooking into an art form, and the food and wines that launched a culinary revolution. Throughout it all, Gael is convinced that food and sex are inextricably linked, and in this exuberant account of her adventures in sensuous excess, she takes readers on a joyride from the world's best tables, to al fresco lunch with Julia Child and naughty dinners with Craig Claiborne and then to bed with

---

the men she couldn't resist--including a porn star and two Hollywood titans. The recipes she includes reflect the decades, from childhood macaroni-and-cheese to Chocolate Wickedness. Greene's tale of pleasure and heartbreak will make you laugh. It may make you cry. It will certainly make you hungry.

**Politics and the Mass Media in Britain** American Water Works Association Utterly original, human, and provocative--like the author herself--"Some of Me" offers a

fascinating, quirky, and, above all, personal look at Isabella Rossellini--actress, model, daughter of Ingrid Bergman--illuminating her life and work in a brilliant mosaic of short takes accompanied by scores of photos.

Human Communication Taylor & Francis Intended for the introductory communication concepts course, this text focuses on the principles and contexts of communication studies. The award-winning authors link theory and research with fundamental concepts and create plentiful

opportunities for students to apply their understanding and develop useful communication skills. Their exposition is seasoned with intriguing case studies and stimulating examples drawn from contemporary life. In addition, Tubbs and Moss show a true sensitivity to diversity - a reflection of their professional interests in gender and cultural issues.
