Hs Ws Transducer User Guide - thepopculturecompany.com

The HS-WS is a transom mount
transducer with a gray connector.
It can be installed on any
outboard or stern-drive
(inboard\outboard) powered
boat. It can also be permanently
installed inside the boat to "shoot-
through" the hull on some
fiberglass boats. The HS-WSPC
is the same as the HS-WS,
however it has a power cable
attached for sonar units
