HTC nexus one phones Manual

Google says that it made the Nexus One to show people what Android could really do, and we think it's succeeded brilliantly. Although it lacks the slick Android additions that HTC grafted onto the Hero, the Nexus One's big screen and powerful processor make it utterly crave-worthy and a challenger for the title of best Android phone yet.

HTC mobile user manuals - Schematic diagrams, User's ...

3. The line began in 2010 with the smartphone Nexus One from HTC. This smartphone was the technical brother of the slightly more expensive HTC Desire. The difference between the Google version of the smartphone consisted of a slightly smaller amount of RAM and a cheaper trackball instead of an optical sensor.
