Rush Revere and the Brave Pilgrims Simon and Schuster
Inspired by true events and a family tradition spanning over 30 years, *The Magic Gingerbread House* tells the story of 5 of Santa's Elves-Hans, Grietal, Kirsten, Franz, and Stefan who teach sisters Meghan and Mollie, and their friend Sammy, about the power of hope and believing in the magic of Christmas. Once the house is built, the elves come to live with the girls at

night to get a respite from the North Pole. Each night the Elves come alive and have fun at the house and leave a special note of encouragement to the girls. Sammy is lonely as both her parents have been deployed to the Middle East, and she has moved to town to live with her grandparents. With the help of the Elves, the girls learn to have hope and believe in the magic of Christmas."

Android in Practice Galaxy S II: The Missing Manual

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

A heart-stopping adventure that defies time and space--New York Times bestselling author Marie Lu calls it "an incredibly intricate, brilliantly paced, masterfully written journey." Farway Gaius McCarthy was born outside of time. The son of a time traveler from 2354 AD and a gladiator living in ancient Rome, Far's very existence defies the laws of nature. All he's ever wanted was to explore history for himself, but after failing his entrance exam into the government program, Far will have to settle for a position on the black market--captaining a time-traveling crew to steal valuables from the past. During a routine heist on the sinking Titanic, Far meets a mysterious girl named Eliot who always seems to be one step ahead of him. Eliot has secrets--big ones--that will affect Far's life from beginning to end. Armed with the

knowledge that history is not as steady as it seems, she will lead Far and his team on a race through time to set things right before the clock runs out.
