Users manual by J.H. Skinner, R.P. Shah, and J.B. Okesson Que Publishing

The new HTC 10 was released on April 12 of this year following the HTC One M9. The new HTC mobile phones are made available to customers who want to order them, but they will not be shipped until the middle of May 2016. The company has placed a lot more emphasis on improving the audio and as well as the quality of the camera. HTC promises a complete experience with the new HTC 10, so users do not need to go and purchase other phone accessories as everything is included to increase the performance of the mobile phone. This 5.2-inch screen mobile phone is the first in its class to offer optical image stabilisation for both the rear and front

facing cameras.

Htc One A9 User Guide Springer Nature

The third generation HTC One M9 was announced in March of 2015. The phone has numerous upgraded features compared to the HTC One M8 including individual notifications, better

camera quality, battery saving options, high quality audio and a higher resolution screen. The phone is programmed so that it works to personalize its features to work with the habits and activities of individual users and offer helpful apps and information at the right time. It also has many useful default apps and a large selection of additional apps which add to the user's experience. An enhanced user interface, which runs on the latest version of Android, also makes the phone simpler to use than its predecessors. One of the top advantages of the phone over its competitors is the large storage capacity and it is a favorite among music lovers who want to listen to quality audio and be able to save more of their music on a mobile device.
