"Seelye's version seems even funnier than the original, and also more moving, since Seelye's Huck Finn is even less sentimental about life and Tom Sawyer than Twain's Huck Finn. He is also more perceptive about black people than the original." -- Hughes Rudd, CBS News "Seelye has stitched together a whale of a book. Without reference to Twain's own version, it is almost impossible to see the seams where 1970 joins 1884." -- Geoffrey Wolff, Newsweek

Twain's Heroes, Twain's Worlds The Adventures of Huckleberry Finn Study Guide

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.
