The Tenth Edition integrates book content with MasteringA&P®, through expanded Coaching Activities, which personalize learning and coach you toward understanding and mastery of tough A&P topics. This program presents a better learning experience. It provides: Personalized Learning with MasteringA&P: Engage with A&P through new Spotlight Figure Coaching Activities, and new Book-specific Clinical Case Activities, and a wide range of other question and activity types--all that are automatically graded. Text-art Integration: The popular one- and two-page Spotlight Figures and other figure types seamlessly integrate text and visuals to guide you through complex topics and processes. You study the Spotlight Figures in the book, and then your instructor can assign them in MasteringA&P. Story-based Clinical Content: Motivate yourself for your future careers with the new Clinical Cases. Time-saving Navigation and Study Tools: Better navigate difficult A&P topics through both the book and MasteringA&P.
