Chapter 11 - Human Resource Management

[Book]

Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and

business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms.

Fundamentals of human resource management

Human resource management is defined as a system of activities and strategies that focus on successfully managing employees at all levels of an organization to achieve organizational goals (Byars & Rue, 2006). Employees

are the human resources of an organization and its most valuable asset. To be successful, an organization must make
