Human Resource Management Pearson

Dessler's book is written with the general manager in mind who wants to understand fundamental HR practices, methods, topics and relevant legal findings that would be helpful in making future HR decisions and solving multi-faceted problems. Topics include personnel planning and recruitment, training and developing employees, performance management and appraisal, compensation, and corporate ethics. Intended for practicing human resource and line managers who want to update their HR skills.

Human Resource Management Prentice Hall

"Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century." -- Provided by publisher.
