Human Resource Management
'Human Resource

Management' provides a comprehensive review of personnel management concepts and practices, focusing on the high-performance organization. It offers practical applications to help managers deal with personnel-related responsibilities.

Fundamentals of Human Resource Management with CD & Powerweb Pearson Education India

"Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as

successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out

strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century." -- Provided by publisher. Pearson Education India

Frank, a Political Monster:

12 Rules to Succeed in Organizations portrays the story of a remarkable man

from a poor neighborhood in Caracas, Venezuela. Frank

was born and raised in a

household full of love,

dysfunctionality,

intellectuality, hunger,

violence, alcohol, European

customs, laughter, tears, death, and more death. By a gracious miracle, Frank ended up breaking the cycle of poverty and becoming a civil engineer, a highly successful manager in the private sector, a husband, a father, an ambitious and tenacious entrepreneur, a shrewd politician, and one of the most admired and respected persons in the country. Sadly, the demons from the past never completely left Frank and ended up destroying most of his life's accomplishments.

This is a story full of ups and

downs, life lessons, and mostly of an unlimited desire for chasing one's dreams. Fundamentals of Human Resource Management, Student Value Edition Pearson For courses in Human Resources Management. Human Resource Management provides students in human resource management courses and practicing managers with a full and practical review of essential HR concepts and techniques, with a particular focus on using human resource practices to improve performance, productivity, and profitability at work. Foundations in management beyond the HR department

Fundamentals of Human Resources Management supports human resources training for all students of management

-- not just HR managers. The text presents a wide range of HR topics within a single semester of material, and a wealth of functional examples and applications.

Fundamentals is also the first text of its kind to make talent management processes a core study.

This 5th Edition has been updated with practical personnel techniques, real company examples, and new material on business sustainability. Each chapter touches on

important recurring themes in management, including employee engagement tactics, small/global business management, employment law features, and positive employee relations, to help students become stronger and more effective managers.

Also available with MyLab Management By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each

student. Note: You are purchasing a standalone product; MyLab Management does not come packaged with this content.
