1. Looking at rights - Very Short Introductions

Human rights is often a contentious issue and the application of human rights law always follows a dispute. The concept of a 'human rights culture' means different things to different people. To some, it

---

means ensuring that everyone is treated with respect. For others, it is about the protection of rights at the expense of the general population. Is the story of human rights simply a dispute between those who believe and those who doubt?

---

His "Human Rights: A Very Short Introduction", is a newly updated introduction to human rights issues and the frameworks within which international human rights legislation is developed and adopted. At nearly 190 pages, this volume is considerably bigger than many others in Oxford's series of "Very Short Introductions", although it still does little more than touch the surface of its subject.

Human Rights: A Very Short Introduction by Andrew Clapham ...

Abstract. Human Rights: A Very Short Introduction considers the controversies surrounding the human rights movement by focusing on highly topical issues such as torture, arbitrary detention, privacy, equality, health, and discrimination. It discusses the historical origins of human rights and how they are formed in law; explains what our human rights actually are;

and considers where the human rights movement might be heading.
