Norwegian Literature Penguin
Since the late 1960s, the novels of Sjöwall and Wahlöö's Martin Beck detective series, along with the works of Henning Mankell, Håkan Nesser and Stieg Larsson, have sparked an explosion of Nordic crime fiction—grim police procedurals treating urgent sociopolitical issues affecting the contemporary world. Steeped in noir techniques and viewpoints, many of these novels are reaching international audiences through film and television adaptations. This reference guide introduces the world of Nordic crime fiction to English-speaking readers. Caught between the demands of conscience and societal strictures, the detectives in these stories—like the heroes of Norse mythology—know that they and their world must perish, but fight on regardless of cost. At a time of bleak eventualities, Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit. Hundre år Sourcebooks, Inc.
Virgin Kate Skylar gives birth to Ethan, who she believes is the Son of God, but the Catholic Church is convinced her child is the Antichrist and will stop at nothing kill him, going so far as to use an artificial intelligence to locate him. Cahiers de la Femme Scarecrow Press

A new edition of what is commonly seen as the legendary Norwegian writer's masterpiece, this story tells the tale of Siss and Unn, two friends who have only spent one evening in each other's company. But so profound is this evening between them that when Unn inexplicably disappears, Siss's world is shattered. Siss's struggle with her fidelity to the memory of her friend and Unn's fatal exploration of the strange, terrifyingly beautiful frozen waterfall that is the Ice Palace are described in prose of a lyrical economy that ranks among the most memorable achievements of modern literature.

"Katarina Bivald talks about her characters like you talk about your best friends. She gives her story absolutely everything she has."—FREDRIK BACKMAN, #1 New York Times bestselling author of A Man Called Ove From New York Times bestselling author of The Readers of Broken Wheel Recommend A charming tale of a ramshackle roadside motel: a heartwarming story of love, friendship, community, and the art of living, even when it's already too late. The Pine Creek Motel has seen better days. Henny would call it charming, but she's always seen the best in things. Like now, when she's just met an untimely end crossing the road. She's not going to let a tiny thing like death stop her from living fully—not when her friends and family need her the most. After the funeral is over, her body is buried, and the last casserole dish is empty, Henny is still around. She's not sure why, but she realizes she has one last opportunity to help her friends discover the happiness they once knew before they lose the motel and cabins they've cherished for years. Schitt's Creek meets The Chicken Sisters with a dash of small-town heart and a whole lot of hope, Welcome to the Pine Away Motel and Cabins is the perfect book club read. "Hopeful, heartening, and humane, this is the novel I needed to read right now."—J. Ryan Stradal, author of The Lager Queen of Minnesota and Kitchens of the Great Midwest "Remarkable...unquestionably a page-turner and full of wisdom. A brave, unusual book, which powerfully portrays friendship and love."—Felicity Hayes-McCoy, author of The Library at the Edge of the World [A History of Norwegian Literature](#) Forlagshuset I Vestfold

Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

The American Humanities Index Bloomsbury Publishing

Free adjuncts and absolutes typically function as adverbial clauses which are not overtly specified for any particular adverbial relation. The book is a non-formal, corpus based study of their current use in English. Its particular focus is on a comprehensive and in-depth analysis of their semantic indeterminacy and the syntactic, semantic, and pragmatic factors that help resolve it.

The Rough Guide to Norway Penguin The World Wide Web is transforming the way that information is distributed, received and acted upon. Global Literacies and the World Wide Web provides a critical examination of the new on line literacy practices and values, and how these are determined by national, cultural and educational contexts. Gail Hawisher and Cynthia L. Selfe have brought together scholars from around the world, including: Mexico, Hungary, Australia, Palau, Cuba, Scotland, Greece, Japan, Africa and the United States. Each represents and examines on line literacy practices in their specific culture. Global Literacies and the World Wide Web resists a romanticised and inaccurate vision of global oneness. Instead, this book celebrates the dynamic capacity of these new self defined literacy communities to challenge the global village myth with robust, hybrid redefinitions of identity that honour ethnic, cultural, economic, historical, and ideological differences. This is a lively and original challenge to conventional notions of the relationship between literacy and technology.

Litteraturformidling Penguin

There is a hidden legacy of war that is rarely talked about: the children of native civilians and enemy soldiers. What is their fate? This book unearths the history of the thousands of forgotten children of World War II, including its prelude and aftermath during the Spanish Civil War and the Allied occupation of Germany. It looks

at liaisons between German soldiers and civilian women in the occupied territories, and the Nazi Lebensborn program of racial hygiene. It also considers the children of African-American soldiers and German women. The authors examine what happened when the foreign soldiers went home and discuss the policies adopted towards these children by the Nazi authorities as well as postwar national governments. Personal testimonies from the children themselves reveal the continued pain and shame of being children of the enemy. Case studies are taken from France, Germany, the Netherlands, Czechoslovakia, Norway, Denmark and Spain.

Children of World War II Peter Owen Publishers

This study presents a general history of how journalism as an emerging

profession became internationally organized over the past one hundred and twenty years, seen mainly through the associations founded to promote the interests of journalists around the world.

Dina's Son A&C Black

La Chambre sous le saule, est, selon le mot de son auteure, une sorte de « poésie sifiction » : forme en prose fragmentée, langue volontairement fluide. Ce qui y est à l'œuvre et que l'auteure nomme le don d'instase est magique, chamanique. C'est quand tout concorde un instant. Réceptivité à la nature, aux bêtes, aux sensations, au surnaturel, à l'esprit du monde; joie d'habiter et recueillement sont les maîtres mots. Mais la contrepartie du don est sombre et cherche à tout gâcher. L'auteure écrit dans cette tension. « C'est du dé cousu main, et en même temps, dès le titre, prosodique ("La chambre sous le saule"), iambe et anapeste nous sont promis, comme jadis et naguère par "la mort / des amants" » écrit Michel Deguy.

The literature of Scandinavia is amazingly rich and varied, consisting of the works produced by the countries of Denmark, Norway, Sweden, Finland and Iceland, and stretching from the ancient Norse Sagas to the present day. While much of it is unknown outside of the region, some has gained worldwide popularity, including the fairy tales of Hans Christian Andersen, the stories of Isak Dinesen, and the plays of Henrik Ibsen and August Strindberg. While obviously including the area's most famous works, the Historical Dictionary of Scandinavian Literature and Theater also provides information on lesser known authors and currents trends, literary circles and journals, and historical background. This is accomplished through a list of acronyms, a chronology, an introductory essay, a bibliography, and several hundred cross-referenced dictionary entries, which together make this reference the most comprehensive and up to date work of its kind related to Scandinavian literature and theater available anywhere.
