A Novel BenBella Books
Reveals the diversity crisis
in children's and young adult
media as not only a lack of
representation, but a lack of
imagination Stories provide
portals into other worlds,
both real and imagined. The

promise of escape draws people from all backgrounds to speculative fiction, but when people of color seek passageways into the fantastic, the doors are often barred. This problem lies not only with children's publishing, but also with the television and film executives tasked with adapting these stories into a visual world. When characters of color do appear, they are often marginalized or subjected to violence, reinforcing for audiences that not all lives matter. The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction. Grounded in her experiences as YA novelist, fanfiction writer, and scholar of education, Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century: Bonnie Bennett from the CW's *The Vampire Diaries*, Rue from Suzanne Collins's *The Hunger Games*, Gwen from the BBC's *Merlin*, and Angelina Johnson from J.K. Rowling's *Harry Potter*. Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world. In response, Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities. Through fanfiction and other modes of counter-storytelling, young people of color have reinvisioned fantastic worlds that reflect their own experiences, their own lives. As Thomas

powerfully asserts, “we dark girls deserve more, because we are more.”

Study Guide for the PMI Risk Management Professional (R) Exam Scholastic Inc.

This book addresses Suzanne Collins’ work from a number of literary and cultural perspectives in an effort to better understand both its significance and its appeal. It takes an interdisciplinary approach to the Hunger Games trilogy, drawing from literary studies, psychology, gender studies, media studies, philosophy, and cultural studies. An analytical rather than evaluative work, it

dispenses with extended theoretical discussions and academic jargon. Assuming that readers are familiar with the entire trilogy, the book also avoids plot summary and character analysis, instead focusing on the significance of the story and its characters. It includes a biographical essay, glossaries, questions for further study, and an extensive bibliography. Instructors considering this book for use in a course may request an examination copy here.

Guide to The Hunger Games
Random House Digital, Inc.

Includes 3 brand new essays on

Gale, the Games, and Mockingjay! **Already read the first edition of *The Girl Who Was on Fire*? Look for *The Girl Who Was on Fire - Booster Pack* to get just the three new essays and the extra movie content.** Katniss Everdeen's adventures may have come to an end, but her story continues to blaze in the hearts of millions worldwide. In *The Girl Who Was on Fire - Movie Edition*, sixteen YA authors take you back to the world of the Hunger Games with moving, dark, and funny pieces on Katniss, the Games, Gale and Peeta, reality TV,

survival, and more. From the trilogy's darker themes of violence and social control to fashion and weaponry, the collection's exploration of the Hunger Games reveals exactly how rich, and how perilous, Panem, and the series, really is.

- How does the way the Games affect the brain explain Haymitch's drinking, Annie's distraction, and Wiress' speech problems?
- What does the rebellion have in common with the War on Terror?
- Why isn't the answer to "Peeta or Gale?" as interesting as the question itself?
- What should Panem have learned from the fates of

other hedonistic societies throughout history—and what can we? Are you looking for a study guide to help you, your small group, or your whole church understand and practice spiritual disciplines? If so, this is the book for you. It is based on Dr. Jon L. Dybdahl's book *Hunger: Satisfying the Longing of Your Soul*. Each chapter contains goals, a story from scripture providing background, and activities to help develop your spiritual life. "Human hunger for God is intense and universal. Even if suppressed or denied,

it cries out silently from the depths. Such hunger is not a wish to know about God, but rather a quest to encounter Him. People want to touch, experience, and feel the divine - not just discover facets about God." - Dr. Jon L. Dybdahl Humans have tried since the beginning of their creation to fill the hunger, or empty space, inside of themselves with all that they can find on their own. The desire for money, homes, cars, and

various material possessions continues to fill our credit cards without filling our longing for "something." Dr. Jon Dybdahl brings his passion for teaching into the second edition of his successful book, *Hunger: Satisfying the Longing of your Soul*, and from there into this study guide. Whether you are a seminary professor, a small group leader with 3-12 students or someone who seeks to move closer in your relationship to God,

your Savior and Creator, you will find entrees that are biblically grounded to study and that are savory and healthy for your spiritual body. *The Hunger Games Faith Sheptoski-Forbush* The first study guide for the PMI-Risk Management Professional certification exam (RMP). This Book has a unique study framework that will take you step by step to cover all the information needed to thoroughly prepare for the test.

Many sample questions, and exercises are designed to strengthen mastery of key concepts and help candidates pass the exam on the first attempt.

Survive and Resist

BookCaps Study Guides

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future.

This is the story of Offred, one of

the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion.

Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition." Learning to Read in Routledge Twins Mika and Ellie live in a future behind a wall, safe from the plague

animals that live beyond. Or so they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

(Hunger Games, Book Three)

This Special Edition of *The Hunger Games* includes the most extensive interview Suzanne Collins has given since the

publication of *The Hunger Games*; an absorbing behind-the-scenes look at the creation of the series; an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war; and a timeline of highlights from the first ten years of *The Hunger Games*. The Special Edition answers many questions fans have had over the years,

and gives great insight into the creation of this era-defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol is harsh and cruel and keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to

participate in the annual Hunger Games, a fight to the death on live TV. Sixteen-year-old Katniss Everdeen regards it as a death sentence. *The Ballad of Songbirds and Snakes* (A Hunger Games Novel) Energion Publications

Authoritarianism is on

the march—and so is dystopian fiction. In the brave new twenty-first century, young-adult series like *The Hunger Games* and *Divergent* have become blockbusters; after Donald Trump’s election, two dystopian classics, *1984* and *The Handmaid’s Tale*, skyrocketed to the *New York Times* best-seller list. This should come as no surprise: dystopian fiction has a lot to say about the perils of terrible government in real life. In *Survive and Resist*, Amy L. Atchison and Shauna L. Shames explore the ways in which dystopian narratives help explain how real-world politics work. They draw on classic and contemporary fiction, films, and TV shows—as well as their real-life counterparts—to offer funny and accessible explanations of key political concepts. Atchison and Shames demonstrate that dystopias both real and imagined help bring theories of governance, citizenship, and the state down to earth. They emphasize nonviolent resistance and change, exploring ways to challenge and overcome a dystopian-style government. Fictional examples, they argue, help give us the tools we need for individual survival and collective resistance. A clever look at the world through the lenses of pop culture, classic literature, and real-life events, *Survive and Resist* provides a timely and innovative approach to the

fundamentals of politics for an era of creeping tyranny. *A Complete K-8 Sourcebook of Team and Lifetime Sport Activities for Skill Development, Fitness and Fun!* BMI Educational Services Soon to be a Major Motion Picture National Book Award Finalist—Fiction In the aftermath of the Civil War, an aging itinerant news reader agrees to transport a young captive of the

Kiowa back to her people in this exquisitely rendered, morally complex, multilayered novel of historical fiction from the author of *Enemy Women* that explores the boundaries of family, responsibility, honor, and trust. In the wake of the Civil War, Captain Jefferson Kyle Kidd travels through northern Texas, giving live readings from newspapers to

paying audiences hungry for news of the world. An elderly widower who has lived through three wars and fought in two of them, the captain enjoys his rootless, solitary existence. In Wichita Falls, he is offered a \$50 gold piece to deliver a young orphan to her relatives in San Antonio. Four years earlier, a band of Kiowa raiders killed Johanna's parents and sister; sparing the

little girl, they raised her as one of their own. Recently rescued by the U.S. army, the ten-year-old has once again been torn away from the only home she knows. Their 400-mile journey south through unsettled territory and unforgiving terrain proves difficult and at times dangerous. Johanna has forgotten the English language, tries to escape at every opportunity,

throws away her shoes, and refuses to act "civilized." Yet as the miles pass, the two lonely survivors tentatively begin to trust each other, forming a bond that marks the difference between life and death in this treacherous land. Arriving in San Antonio, the reunion is neither happy nor welcome. The captain must hand Johanna over to an aunt and uncle she does not

remember—strangers who regard her as an unwanted burden. A respectable man, Captain Kidd is faced with a terrible choice: abandon the girl to her fate or become—in the eyes of the law—a kidnapper himself.

A Legend Novel
Perfection Learning
Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will

kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.
